Welcome to Grossmont College!

A message from the interim president

Dear Student,

Thank you for joining us this summer at Grossmont College! You could spend your summer doing any number of things, but you've chosen to pursue your educational goals. We are excited to help you succeed in reaching them.

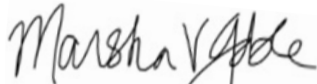

Whether you're a continuing Grossmont College student, university student joining us for a class this summer, a high school student getting a jumpstart on your college experience, or an adult learner taking advantage of our short-term classes, I hope you take advantage of our many opportunities to engage with our excellent faculty. During the summer, Grossmont College will continue to virtually provide library materials access, tutoring services that work for your schedule, private mental health counseling, and much more.

While many of our classes are online, we do have some classes that must remain in person such as lab and career education courses. For our in-person classes, we are limiting enrollment to ensure safe physical distancing, requiring students and employees to properly wear masks, and regular cleaning and sanitizing within those spaces. Our number one priority will always be to ensure the health and safety of our students and employees.

While we are not yet fully in person this summer, please know that we are always here for you, whether it's in a virtual appointment or workshop, email, or by phone. Thank you again for joining us at Grossmont College.

Enjoy your summer!

Dr. Marsha V. Gable
Interim President
Grossmont College

HEALTH FEE

The Health Services Office provides services to all enrolled students who have paid the Health Fee or have received a financially determined waiver for the Health Fee. Students whom depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination or organization may petition for an exemption from the payment of the Health Fee.

The mandatory health fee provides accident insurance for the protection of any student who may experience an injury while participating in a college sponsored credit or non-credit class, or other activity. The sponsored class or activity must be during a directly supervised, on-campus or school-related activity. The supervision of the sponsored class or activity must be by a member of the college staff at a college approved co-curricular activity or event. Insurance deductibles range from \$50 to \$100. Student Insurance is secondary to any group, blanket franchise, group practice, individual practice or other pre-payment coverage; the claim must be filed with primary insurance first. Health Services information, accident/illness report forms and insurance claim forms and referrals for care can be obtained in Health Service, Building 60 – Room 130 (Inside Griffin Center) or by calling 619 644-7192 or the Health Services website <https://www.grossmont.edu/student-support/health-and-wellness/>.

Note: Students whom depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination or organization may petition for an exemption from the health fee by submitting a written request to the Office of Student Affairs. Waiver forms may be obtained in Admissions and Records, Student Affairs Office and the Health and Wellness Center. Requests for exemptions will be reviewed by the Dean of Admissions and Records and Financial Aid and the Dean of Student Affairs.

ALERT!

You are responsible for all appropriate fees. You may be dropped from courses for non-payment of fees.

FEE WAIVERS AND FEE EXEMPTIONS

The California College Promise Grant (formerly called the Board of Governors Fee Waiver) helps low income students pay the enrollment fee and the parking fee in excess of \$20.00. This aid does not have to be repaid. Eligibility requirements are available at www.grossmont.edu/financial-aid/grants/california-college-promise-grant.php or in the Financial Aid Office.

You must submit your FAFSA (Free Application for Federal Student Aid), California Dream Act application or the California College Promise Grant application every award year to be considered for this program. You must also make satisfactory academic progress as outlined in the College catalog and be approved by the Financial Aid Office.

STUDENT REPRESENTATION FEE

A \$2 fee per semester is collected to provide funds for the support of governmental affairs representatives who are students, staff and faculty for stating their positions and viewpoints before city, county and district governments, and before offices and agencies of the state government. The Associated Students of Grossmont College is the sponsoring campus entity.

STUDENT REPRESENTATION FEE WAIVER

A student may, for religious, political, financial or moral reasons, choose not to pay the Student Representation Fee by directly contacting the Office of Student Affairs by calling (619) 644-7600. The fee waiver request must be obtained and submitted before the final drop deadline for the current semester to the Cashier's Office to be processed. (See calendar inside front cover.)

REFUND INFORMATION

Refunds made by, check, ACH or the payment plan can be processed after two weeks from the day received. Cash refunds will be refunded by the limit set by the College Cashier. You must have a valid government I.D. in order to receive a cash refund. Districtwide refunds will be processed throughout the semester. Credit card refunds will be credited back to the credit card account or, if you paid by cash or check, a check will be mailed to the student. Don't want to wait for a check in the mail? Sign up for direct deposit or bank mobile. Expedite your credit card refund by calling the Cashier's Office at 619-644-7660. Payment plan refunds are sent from a third party

and cannot be credited back to that account. Payment plan refunds will be issued by cash or a check will be mailed out to the student. Refunds are only payable to the student and will not be given to any other individual.

STUDENT LOAD

The maximum number of units in which you may enroll is 8. Overloads must be approved by a counselor. Overload requests can be made beginning the first day of classes and require a valid add code. Requests for excessive overloads will require an appointment with the Dean of Counseling. A copy of all college transcripts will be reviewed prior to the appointment.

IMPORTANT COURSE REPETITION CHANGES

The California Community College Board of Governors recently passed revisions to Title 5 regarding course repetition that took effect during the 2012 summer semester. Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, NP or NC) or withdrew from the class with a "W." Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause so any student that has already taken a course the maximum number of times will no longer be able to take the same class within the Grossmont-Cuyamaca Community College District.

Course Repetition and Receiving Federal Aid

Students can only receive financial aid for up to one (1) repeat of any course with a passing grade (A, B, C, D, and P grades are considered passing for financial aid purposes).

GRADES

When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course, and the determination of the student's grade by the instructor in the absence of mistakes, fraud, bad faith or incompetency, shall be final. (Section 76224a California Education Code.)

Grades will be available through **Self-Service/WebAdvisor** at www.grossmont.edu.

CLASS ATTENDANCE

It is important to attend the first meeting of all classes. If students are unable to do so, the instructor should be notified. Failure to attend the first class may result in the student being dropped from the class.

Regular attendance is expected of every student. A student may be dropped from class due to poor attendance when, in the judgement of the instructor, the student cannot benefit from further instruction. The student who has been absent due to illness or medical treatment should inform the instructor as to the cause of absence.

HOW DO I CHANGE MY CLASSES

Adds and drops can be processed through **Self-Service/WebAdvisor** (www.grossmont.edu) during the following hours *AFTER* your assigned registration time.

Monday - Saturday 7:00 a.m. - 10:00 p.m.

STEPS TO DROP CLASS(ES)

Classes can be dropped through **Self-Service/WebAdvisor** (www.grossmont.edu) prior to the drop deadline for your class.

ENGLISH AND MATH PLACEMENT

Grossmont College students will no longer need to take the Accuplacer English and math assessment test for placement into English and math classes due to AB705.

Please refer below for the multiple ways in which a student can receive English and math placement:

HIGH SCHOOL GPA

The State of California has passed a new law (AB705) which provides students access to complete transfer level courses in English and math in one year. High school GPA will be the primary factor in determining placement. An online questionnaire will be available to provide placement for English and math classes.

Beginning on March, 1, 2019, please access the online guided self-placement questionnaire by following the directions listed below:

Log into Self-Service/WebAdvisor

Click on "Students"

Under Orientation/Assess/Advising,

Click "**Step 2-Assessment/Placement Questionnaire**"

COURSE FROM ANOTHER COLLEGE

If an English or math class has been completed from another college or university within the United States, students can submit the appropriate documentation through the prerequisite clearance for possible English and math placement at <https://www.grossmont.edu/admissions/placement-prerequisite-clearance-form.php>.

ADVANCED PLACEMENT (AP) EXAM

If an AP exam has been passed with a score of 3 or higher in the following classes: English Language and Composition, English Literature and Composition, Calculus BC/AB subscore, or Statistics, students can submit the appropriate documentation through the prerequisite clearance for possible English and math placement at <https://www.grossmont.edu/admissions/placement-prerequisite-clearance-form.php>.

ESL PLACEMENT

Students who are recommended to take English as a Second Language (ESL) classes will complete the online ESL self-guided placement questionnaire to determine the most appropriate starting level. For more information, please contact the Assessment Center by emailing Grossmont.Assessment@gcccd.edu.

WORLD LANGUAGE AND CHEMISTRY 141 TESTS

The Assessment Center also provides various tests for placement into World Language courses. These tests are available to take once a semester for students who are not currently enrolled into a World Language course. A chemistry test for placement into Chemistry 141 is also available for students to take. This test can only be taken once and will not be available to students who have already enrolled into Chemistry 120.

INSTITUTIONAL ESL ASSESSMENT FOR INTERNATIONAL STUDENTS

Grossmont College offers an Institutional ESL Assessment. The minimum placement score is ESL 105 for admission purposes. The ESL placement score is valid for one year and ESL Assessment can be taken once per application period. For more information, test dates, and to register, please click here: [Institutional ESL Assessment Registration Form](#). Please register early to save your space. Results will be available within 3-4 business days. This is a free ESL assessment.

READMIT STUDENTS/TRANSFER-IN STUDENTS

Information regarding degree and certificate programs is available in the Counseling Center and online at www.grossmont.edu.

STUDENTS WITH DEGREES

You are required to meet all class prerequisites and corequisites listed in the current college catalog. Prerequisites may include a class and/or assessment. If you have completed an equivalent course, you may be excused from meeting that specific course requirement. You are encouraged to contact the Counseling Center for more information at (619) 644-7208.

INTERNATIONAL STUDENT PROGRAM

International students who have received an I-20 form from Grossmont College Admissions Office and have F-1 status are expected to meet the assessment, orientation and registration requirements in their admission letter.

All International F-1 visa students must be full-time (12 units minimum each fall and spring semester) and maintain a minimum grade point average (GPA) of 2.0 to remain in status with Immigration.

AUDITING PROCEDURES

Audit enrollment will not be permitted until students have completed the allowable number of repeats in practice or performance courses. Priority class enrollments are given to students desiring to take the course for credit. No student will be permitted to enroll for audit purposes until Monday of the third week of instruction.

Audit enrollment will be based on "seats available" and will not be used to count toward minimum enrollment requirements. If a class closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit students. Instructor discretion is strongly recommended.

Permission to audit a class is done at the discretion of the instructor and with the instructor's signed permission. Appropriate forms and procedures are available in the Admissions and Records Office.

No credit will be received for auditing a course. The college will not maintain any attendance or academic records for a student that audits a course.

LOWER DIVISION COURSE EQUIVALENCIES FOR UC, CSU and Independent/Private Universities and Colleges

Students who are interested in satisfying certain lower division course requirements in the major or in general education can complete equivalent courses at Grossmont College. In addition to articulated equivalent courses, it is important to know that the vast majority of courses completed at Grossmont College transfer as fulfilling requirements for majors or as elective units. For additional assistance, visit the Grossmont College Articulation web site: www.grossmont.edu/articulation.

All official articulation for the CSU (California State University) and UC (University of California) systems is available at www.assist.org. This site is readily available via the Grossmont College Articulation Web Site.

It is important to use these tools along with the assistance from counselors at Grossmont College.

ZERO TEXTBOOK COST

Zero Textbook Cost sections, designated as “ZTC” in the class schedule, do not require students to purchase a textbook. These sections may have recommended (but not required) books, or may use free, openly licensed teaching and learning resources, such as Open Educational Resources (OER). ZTC sections may have a materials fee such as lab supplies, calculator, test forms, etc. but no conventional textbook fees. The college strives to ensure that the ZTC designations are accurate; however, under some circumstances, the instructor or assigned materials may change, affecting course material costs. The online version of the class schedule has the most current listing of ZTC course offerings. If possible, please refer to the online schedule instead of the print schedule for the most up-to-date list of ZTC classes.

OPEN EDUCATIONAL RESOURCES (OER)

Open Educational Resources (OER) are teaching, learning, and research resources that reside in the public domain or have been released under an open license. OER are legally available and free of cost to students. Class sections using OER with no textbook costs are designated as “ZTC” in the class schedule.

CHANGES AFTER CLASSES BEGIN

THE “AUTHORIZATION CODE” PROCESS

You may add open classes the first week of school by obtaining an Authorization Code from the instructor. With this Authorization Code you may register using **Self-Service/WebAdvisor** www.grossmont.edu.

The last day to use the AUTHORIZATION CODE will vary by class. You must add the class by the “USE BY” date printed on the AUTHORIZATION CODE label. Once the AUTHORIZATION CODE has expired, you must get the instructor’s signature on an Add/Drop card.

The AUTHORIZATION CODE is for your use only. If you share this code with someone who uses it first, you will not be permitted to enroll in the class unless the instructor assigns another AUTHORIZATION CODE to you.

This code will not override course prerequisites! You will not be permitted to add the class until course prerequisites are cleared at the Counseling Center.

You will need to provide the AUTHORIZATION CODE when you use Self-Service/WebAdvisor. Once the AUTHORIZATION CODE is entered, the class should be added.

Payment for added classes is expected at time of registration.

A Class and Fee Statement will NOT be mailed. You may print a list of your classes on **Self-Service/WebAdvisor** (use the “View/Print Schedule” link).

TO DROP A CLASS

You may drop a class using **Self-Service/WebAdvisor**.

You must complete the drop before the drop deadline for the class. To be eligible for a **refund**, you must drop the class before the refund deadline.

A refund check will be mailed to you or you may contact the College Cashier’s Office. Refunds do **not** carry over to future semesters.

The District strives to provide an educational environment that fosters cultural awareness, mutual understanding, and respect that ultimately also benefits the global community.

No person shall be unlawfully subjected to discrimination or denied full and equal access to District programs or activities on the basis of ethnic group identification, race or ethnicity, color, national origin, religion, age, gender, gender identity, gender expression, physical or mental disability, medical condition, pregnancy, genetic information, ancestry, sexual orientation, marital status, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. District programs and activities include, but are not limited to any that are administered or funded directly by or that receive any financial assistance from the California Community Colleges Chancellor's Office.

The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall be used for membership or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with the District, to any private organization whose membership practices are discriminatory on the basis of the groups mentioned above. PROHIBITION OF HARASSMENT

(Administrative Procedures 3430)

The Grossmont-Cuyamaca Community College District (District) is committed to providing an academic and work environment free from harassment. This procedure defines sexual harassment and other forms of harassment on District property, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member or student within the District.

This procedure protects students, employees, unpaid interns and volunteers in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities, a District bus or van, or at a class or training program sponsored by the District at another location. The procedure below is based, but may not be limited on the following definitions:

Definitions

General Harassment: Harassment based on ethnic group identification, race, color, national origin, religion, sex or gender, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, military or veteran status, age, or sexual orientation of any person, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Harassment shall be found where, in aggregate, the incidents are sufficiently pervasive, persistent, or severe that a reasonable person with the same characteristics as the victim of the harassing conduct would be adversely affected to a degree that interferes with his or her ability to participate in or to realize the intended benefits of an institutional activity, employment, or resource. Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment if it meets the definition above. For example, repeated derisive comments about a person's competency to

do the job, when based on that person's gender, could constitute gender-based harassment. Harassment comes in many forms, including but not limited to the following conduct that could, depending on the circumstances, meet the definition above, or could contribute to a set of circumstances that meets the definition:

- **Verbal:** Inappropriate or offensive remarks, slurs, jokes, or innuendoes based on a person's race, gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status, or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats, or intimidation; or sexist, patronizing, or ridiculing statements that convey derogatory attitudes based on gender, race nationality, sexual orientation, or other protected status.
- **Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling, or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation, or other protected status. Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.
- **Visual or Written:** The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics, or electronic media transmissions.
- **Environmental:** A hostile academic or work environment may exist where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation, or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders, or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his or her immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on

the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

Sexual Harassment: In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

- submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress;
- submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment (as more fully described below); or
- submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

This definition encompasses two kinds of sexual harassment:

- "Quid pro quo" sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.
- "Hostile environment" sexual harassment occurs when unwelcome conduct based on a person's gender is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. A single or isolated incident of sexual harassment may be sufficient to create a hostile environment if it is severe, i.e. a sexual assault.

Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

CONSENSUAL RELATIONSHIPS

District employees are strongly discouraged from entering into or maintaining any romantic or sexual relationship with any student or employee over whom they exercise any academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence.

There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty, or staff member must evaluate the student's or employee's work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute conduct against any affected employee.

ACADEMIC FREEDOM

No provision of this Administrative Procedure shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic freedom are, however, not limitless and this procedure will not protect speech or expressive conduct that violates federal or California anti-discrimination laws. The Governing Board reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow any form of unlawful discrimination or harassment. It is recognized that an essential function of education is a probing of opinions and an exploration of ideas that may cause some students discomfort. It is further recognized that academic freedom insures the faculty's right to teach and the student's right to learn.

PROCEDURE REGARDING COMPLAINTS OF HARASSMENT

Any person who believes that they are being harassed based on an actual or perceived protected characteristic such as ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, marital status, veteran status, or physical or mental disability, may file a written complaint describing in detail the alleged violation. All complaints shall be signed and dated by the complainant and shall contain, to the best of the complainant's ability, the names of the individuals involved, the date(s) of the event(s) at issue, and a detailed description of the actions constituting the alleged violation.

The District may return without action any complaints that are inadequate because they do not state a clear allegation of harassment or violation of the anti-harassment policies.

The District shall investigate all complaints of harassment. To the extent practicable, a written determination on all accepted written complaints will be issued to the complainant within ninety (90) days of the filing of the complaint. The equal employment opportunity officer will forward copies of all written complaints to the State Chancellor's Office.

EMPLOYMENT

Complaints involving harassment in the course of employment or attempting to secure employment must be filed as soon as possible after the occurrence of an alleged violation and not later than sixty (60) days after such occurrence unless the complainant can verify a compelling reason for the District to waive the sixty (60) day limitation.

If an employee or applicant for employment feels they have been harassed and would like to file a complaint, complaint procedures can be found on the District's Equal Employment Opportunity web site, or by contacting the office of the Vice Chancellor for Human Resources and Labor Relations.

STUDENTS AND VISITORS

Complaints alleging violations that do not involve hiring processes should be filed as soon as possible after the occurrence of an alleged violation.

Information on college complaint procedures can be located at <https://www.grossmont.edu/student-support/student-affairs/index.php> or by contacting the Office of Student Affairs at either college.

STUDENT CODE OF CONDUCT

To ensure a safe campus community and provide a prompt and equitable means to address violations of the Grossmont-Cuyamaca Community District Standards of Student Conduct, the Dean of Student Affairs, in conjunction with the President and Vice President of Student Services, administratively facilitate the Grossmont-Cuyamaca Community College District's Student Conduct Procedures for Grossmont College.

GROUNDINGS FOR STUDENT CODE OF CONDUCT VIOLATION

(These procedures also apply to distance education.)

Student conduct must conform to District and College rules and regulations. If a Student Code of Conduct violation occurs while a student is enrolled in any program of instruction or co-curricular offering within the District, to include distance education programs, he or she may be subject to Student Conduct Action for one or more of the following causes that must be District related. Except in response to conduct specified in subdivisions (g) and (h) of Section 76033, no student shall be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance. This section is not intended to limit provisions of federal law, or limit the ability of community college districts to take appropriate action under federal law.

These categories of behavior are not intended to be an exhaustive list, but are examples of causes and are good and sufficient causes for Conduct, including but not

limited to the removal, suspension, or expulsion of a student. Other misconduct not listed may also result in Conduct if good cause exists (Education Code Section 76033, 76034).

1. Causing, attempting to cause, or threatening to cause physical injury to another person.
2. Possession, sale or otherwise furnishing any firearm, knife, explosive, or other dangerous object, including but not limited to any facsimile firearm, knife, or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from the Vice President of Student Services or designee.
3. Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in California Health and Safety Code Sections 11053 et seq., an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.
4. Committing or attempting to commit robbery or extortion.
5. Causing or attempting to cause damage to District property or to private property on campus.

8. Committing sexual harassment as defined by law or by District policies and procedures.
9. Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation or any other status protected by law.
10. Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact; verbal assaults, such as teasing or name-calling; social isolation or manipulation; and cyberbullying.
11. Willful misconduct that results in injury or death to a student or to District personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.
12. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, college personnel.
13. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty as defined by the College's academic integrity standards.
14. Dishonesty; forgery; alteration or misuse of District documents, records or identification; or knowingly furnishing false information to the District.
15. Unauthorized entry upon or use of District facilities.
16. Lewd, indecent or obscene conduct or expression on District-owned or controlled property, or at District sponsored or supervised functions.
17. Engaging in expression which is obscene, libelous or slanderous, or which so incites students as to create a clear and present danger of the commission of unlawful acts on District premises, or the violation of lawful District regulations, or the substantial disruption of the orderly operation of the District.
18. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
19. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any district policy or administrative procedure.
20. Engaging in physical or verbal intimidation or harassment of such severity or pervasiveness as to have the purpose or effect of unreasonably interfering with a student's academic performance, or District employee's work performance, or of creating an intimidating, hostile or offensive educational or work environment.
21. Engaging in physical or verbal disruption of instructional or student services activities, administrative procedures, public service functions, authorized curricular or co-curricular activities or prevention of authorized guests from carrying out the purpose for which they are on District property.
22. Sexual assault and sexual exploitation as defined in Education Code section 76033(g), (h).
23. Misconduct where good cause exists (Education Code Section 76033).

District students who engage in any of the above are subject to the procedures outlined herein as authorized by AP 5520 Student Conduct Procedures.

ETHICAL PRINCIPLES

Grossmont College is an academic institution dedicated to the pursuit of learning and the promotion of student success. In the quest for excellence, our entire college community shares the ethical values of integrity, honesty, transparency, civility, and respect. Students, faculty, staff, and administrators are guided by the ethical standards and principles established by the Grossmont College Student Code of Conduct and by comparable codes from professional associations and organizations. These values include personal and collective accountability and a high regard for others, the institution, and its mission.

ACCESS TO EDUCATIONAL PROGRAMS

It is the policy of the Grossmont-Cuyamaca Community College District Governing Board, that unless specifically exempted by statute regulation, every course, course section or class for which the average daily attendance is to be reported for state aid, shall be open to enrollment and participation by any person who has been admitted to the college and who meets the bona fide academic prerequisites of such course as may be established pursuant to law, and such exceptions as permitted by law as stated in Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

DISCLAIMER: CHANGES TO THE CLASS SCHEDULE

The Grossmont-Cuyamaca Community College District and both colleges have made every reasonable effort to determine that everything stated in this schedule is accurate. Courses offered, together with other matters contained herein, are subject to change without notice and at the discretion of the administration of the Grossmont-Cuyamaca Community College District for matters related to student enrollment, level of financial support, or for any other reason. The District further reserves the right to add, amend or repeal any of their rules, regulations, policies and procedures.

SMOKE-FREE CAMPUS

Grossmont College is a smoke-free/tobacco free facility as stipulated in Board Policy 3570. Violation of this campus tobacco policy will result in appropriate conduct penalties in place for both students and employees.

In accordance with AP 3570 "Smoking" means engaging in an act that generates smoke or vapor, such as possessing a lighted pipe; a lighted hookah pipe, operating an electronic cigarette or other electronic nicotine delivery system; a lighted cigar; a lighted cigarette of any kind; or lighting or igniting a pipe, a hookah pipe, a cigar, or a cigarette of any kind.

STUDENT DUE PROCESS

It is the stated educational philosophy of the Grossmont-Cuyamaca Community College District Governing Board that GCCCD accepts and is committed to the following premise: "The college recognizes the worth of the individual and that individual needs, interests, and capacities vary

greatly." With acceptance of this principle comes the recognition that divergent viewpoints exist which may not be reconciled; therefore, the Student Rights and Due Process Committee has been established to assist students to understand their rights and due process, to objectively analyze the facts and to suggest positive alternatives. It is also through the Student Rights and Due Process that students may seek redress of complaints or grievances that result in injury to the student or which adversely affect the student's status, rights or privileges as a student.

The initial step is the informal phase, which is a good faith effort to settle a dispute before filing a formal grievance. Informal discussion between the persons directly involved in a grievance is essential in the early stages of the dispute and will be encouraged at all times. Even after filing, efforts to resolve the dispute by informal means will continue.

For additional information or a copy of the Student Rights and Due Process procedures, please contact the Dean of Student Affairs, in Room 60-204 or (619) 644-7600.

STUDENT GRADE RESPONSIBILITY

You are held responsible for all classes for which you register. This includes attending all class sessions, being prompt in your attendance, and meeting instructor course requirements. If, for some reason, you decide to withdraw from a class(es), **it is your responsibility to properly withdraw.** This means using **Self-Service/WebAdvisor** or coming to campus and picking up a Drop Card from the Admissions and Records Office, accurately and thoroughly completing the card, and filing it with the Admissions and Records Office. The official date of withdrawal is the date which the withdrawal form is filed with the Admissions and Records Office. If this is not done, students may receive a grade of "F" and all fees apply.

PREREQUISITE ALERT

www.grossmont.edu/assessment/prerequisite

A **prerequisite** is a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

A **corequisite** is a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

An **advisory on a recommended preparation** is a condition of enrollment that a student is advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

All courses shall be open for enrollment to any student who has been admitted to the college, except that students may be required to meet necessary and valid prerequisites. In addition, the District may also limit enrollment in a course based on health and safety considerations, facility limitations, or legal requirements imposed by statute or regulations.

A student who does not meet a prerequisite or corequisite or who is not permitted to enroll due to a

limitation on enrollment but who provides satisfactory evidence may seek entry into the course as follows:

1. If space is available in a course when a student files a challenge to the prerequisite, corequisite, or advisory on recommended preparation, the college shall reserve a seat for the student and resolve the challenge within five (5) working days. If the challenge is upheld or the college fails to resolve the challenge within the five (5) working day period, the student shall be allowed to enroll in the course.

If no space is available in the course when the challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.
2. Grounds for challenge are:
 - a. The prerequisite or corequisite has not been established in accordance with the college's process for establishing prerequisites and corequisites;
 - b. The prerequisite or corequisite is in violation of Title 5 regulations (Section 55201);
 - c. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
 - d. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
 - e. The student will be subject to undue delay in attaining the goal of his or her Student Educational Plan because the prerequisite or corequisite course has not been made reasonably available. If other courses are available which meet the same requirement, the student is not being delayed. There is no obligation to honor the student's preference.
 - f. The student has not been allowed to enroll in a course due to a limitation on enrollment established for (a) a course that involves intercollegiate competition or public performance, or (b) a course limited to a cohort of students. The student shall be allowed to enroll if otherwise he or she would be delayed by a semester in attaining the degree or certificate specified in his or her Student Educational Plan.
 - g. The student seeks to enroll in a course which has a prerequisite established to protect health and safety, and the student demonstrates that he or she does not pose a threat to himself or herself or others.
3. The student has the obligation to provide satisfactory evidence that the challenge should be upheld. However, where facts essential to the determination of whether the student's challenge should be upheld are or ought to be in the college's own records, then the college has the obligation to produce that information.

Students wishing to challenge prerequisites for any other reason should do so using the Student Due Process Procedures (check the catalog).

FAMILY EDUCATION RIGHTS AND PRIVACY ACT

Grossmont College accords to students all rights under the Family Educational Rights and Privacy Act. No one outside the institution shall have access to nor will the institution disclose any information from the student's education records without the written consent of students except to persons or organizations providing student financial aid, to accrediting agencies carrying out their accreditation function, to persons in compliance with a judicial order, and to persons in an emergency in order to protect the health or safety of students or other persons. At Grossmont College, only those employees acting in the students' educational interests are allowed access to student education records within the limitations of their need to know.

The Act provides students with the right to inspect and review information contained in their education records, to challenge the contents of their educational records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in their files if the decision of the hearing panel is unacceptable. The Dean of Admissions and Records and Financial Aid has been designated by the institution to coordinate the inspection and review procedures for student education records.

Grossmont College student data is also submitted to the National Student Clearinghouse so that research may be conducted regarding transfer rates, college performance and other college success indicators. The information shared is maintained with the strictest of confidence; individual names or data are not disclosed. If students wish to restrict their data from being shared with the National Student Clearinghouse, they may complete a form at Admissions and Records which will restrict the release of their student data.

CAMPUS AND PARKING SERVICES

POLICE SERVICES at the District are provided by the San Diego County Sheriff's Department. A sheriff's sergeant and four deputies are assigned to the Grossmont and Cuyamaca college campuses. All vehicles must display a valid college parking permit while parked on campus property. The responsibility of finding a legal parking space, as well as knowing where and when a parking permit is valid, rests with the vehicle operator. The purchase of a parking permit does not guarantee a space to park. For the safety of the college community, all California Vehicle Codes are enforced. All community members (students, staff, faculty and visitors) are primarily responsible for their own safety and property.

For further information, contact Campus and Parking Services at (619) 644-7654.

Permit Parking is enforced on all district property:

- Monday thru Thursday - 7:00am to 10:00pm
- Friday thru Saturday - 7:00 to 4:00pm

CALL BOXES AND LOCATIONS

As part of the District's commitment to safety, several projects are coming up that will support a safe and welcome environment for our students and staff. The first project consists of installing exterior surveillance cameras throughout both campuses. The cameras will serve as deterrents during closures as well as provide evidence during investigations of events. Several phases of camera installation will be completed over the next five years.

In addition, we will be removing the out-of-order blue emergency phone towers throughout each campus. The emergency phones have had minimal use the past several years and to replace them would be of significant cost and disruption to the campuses. In their place, bilingual emergency signage such as the sign to the left will be installed. The emergency phones located inside all campus elevators are outdated and will be replaced for better functionality.

In case of Emergency, dial 911.

PAY STATIONS

Daily Permits for students and visitors may be purchased from the Pay Stations located in Parking Lots: 1, 3, 4, 5, 7, and on each level of the Parking Structure.

Please use one dollar bills only, or any major credit/debit card. No refund or change is given. Pay station permits are only valid in student parking lots.

Business visitors may obtain a parking pass from the machines located in each lot.

We have partnered with [Passport Parking](#) to make visitor parking quick and simple. Just download the application on your phone, insert your information ONE TIME and pay while you walk to class, or even ahead of time

DISABLED PARKING PERMITS

All vehicles utilizing Disabled parking spaces must display a state issued identification placard, i.e. DMV issued placard, DP or DV plates. Applications for Placards/Plates are available at the Department of Motor Vehicles

As of January 1, 2017 students, visitors, faculty, or staff members who legally possess a current California Disabled Placard, which must be displayed, are required to purchase a parking permit.
