I. CALL TO ORDER
A. Approval of Agenda

A motion was made to approve the day’s agenda.
M/S/U Atchison/Olmstead

Approval of Minutes from March 19, 2007

A motion was made to approve the March 19, 2007 meeting minutes.
William Snead noted he was in attendance at the meeting but was showing absent. Beth reminded everyone to please sign in to help keep attendance in order.
II. PRESIDENT'S REPORT
Tina Pitt, Grossmont College Interim Vice President, Academic Affairs introduced intern, Laura Stein who was shadowing her at this time.

Report from Board Workshop on Collegial Consultation
Beth reported on the Board Workshop on Collegial Consultation that had been held on Tuesday, March 27th. Ten faculty from Grossmont attended the workshop. She stated the meeting was useful but not technical assistance. The workshop reviewed Title 5 regulations, Education Code and the role of collegial consultation. The meeting was informative. The Chancellor suggested a possible development of a District Senate. The group discussed the workshop and the possibility of joint and district senate meetings.

Election
Beth reminded everyone the ballots for the current Academic Senate election had been distributed. Please remind both full time and part time faculty in your departments to vote. The election will close on Friday, April 20 at 12:00 p.m.

Last Senate Meeting
Beth reported three more Academic Senate meetings are schedule for the remainder semester, April 30, May 7, and May 21. The May 21 meeting is during finals week and Beth needed input on whether to cancel the meeting or move forward with the schedule. The next two meetings will run back to back. The Senate may need to schedule an additional meeting in order to vote on Accreditation and a quorum will be needed in order to vote. The group discussed other possible meeting dates. No final decision was made.

Senate Appointments to Hiring Committees
Beth reviewed the process of faculty members being appointed to hiring committees. She reviewed an overhead copy of the Title 5 regulations. All faculty appointed to committees need to be approved by the Academic Senate and not hand picked. Currently, there have been some situations to where this process is not being followed. The group discussed the proper process. Administrators’ assistance is needed in order to keep the process running accordingly. A faculty member from the Math, Natural Sciences & Exercise Science division is needed to sit on the Vice President, Academic Affairs Hiring Committee. The first faculty member had to drop out. The committee will start interviewing candidates this Monday. Please contact Beth if interested.

The group discussed problems with other committees on campus, especially the task forces set up to work on the new buildings.

III. COMMITTEE REPORTS
Curriculum Committee (packet going to the board, changing internal date for curriculum, GE vs. Curriculum Committee tasks) – Attachment #1
Chris Hill gave a Power Point presentation of the Grossmont College Curriculum Committee. She reported the Curriculum Committee was running on full membership this year and many tasks were completed. Both Chris and Tina Pitt commended Marsha Raybourn and the Instructional Operations staff on all the
hard work and extra time they have been committing to the curriculum issues. The Curriculum Committee has completed the following:
   A total of 211 pieces.
   78 new courses.
   110 course modifications
   33 deletions.
   1 degree addition.
   15 degree modification.
   1 certificate of proficiency.

The committee is continuing ongoing discussions regarding the following:
   Distance Learning courses with Title 5 regulation.
   299 courses and transferability.
   Transfer degrees and Title 5 compliance.

Chris also discussed the reorganizing of the Curriculum Committee structure and possible changes.
The group then moved to reviewed agenda Attachment #1 containing information on the proposal proposing a return to an internal Grossmont College deadline for faculty to submit curriculum proposals closer to the end of the spring semester instead of the current September date. Chris and the group discussed reasons behind the suggested change.

Chris then reported on the GE Committee issue and whether or not the committee is still needed. The Curriculum Committee has been handling most GE issues. The group discussed reasons as to why the GE Committee stopped functioning and other options and processes. It was suggested a GE Task Force be developed and implement next year to take a look at the issue.

IV. ACTION ITEMS
None.

V. INFORMATION ITEMS
   Update to Senate By-Laws – Attachment #2
Beth reviewed agenda Attachment #2. The attachment contained the Senate By-Laws and the suggested changes that had been reviewed at the last senate meeting. The Senate Officers had not received any concerns or suggestions regarding the changes since the last meeting. Beth and the group read through each of the proposed changes individually. The group discussed Section 2. Election of Officers, #5, in some depth. Concern was expressed regarding the duties of the Nomination/Elections Committee listed in the wording. The group agreed to wait on the changing of the wording until the New Election Rules were reviewed. A cleaned up version of the by-laws will be distributed with the agenda for the next meeting.

   Recommendation for Adding Public Comment – Attachment #3
Beth shared the Senate Officers had received no feedback on the public comment recommendations discussed at the last Senate meeting. The group discussed the benefits of having public comments at the beginning of the meeting compared to the end of the meeting. The length of time per speaker was discussed. The consensus was that a section of time be set aside for public
comment at the beginning of the meetings. A cleaned version of the recommendation will return at the next Senate meeting as an Action Item.

Action Item – Attachment #2

**Senate Agenda and Public Comment**

**Purpose:** The public must be given an opportunity to comment on items on the Agenda, as well as, any other items he/she deems important for the body.

**Placing it at the beginning of the agenda:**
After "Call to Order," before "Approval of Agenda" would allow the agenda to be amended should someone’s comment be crucial to the Senate to discuss. A motion could be made to add the item to the agenda. Persons wanting to speak during public comment would know what time he/she should be present at the meeting. This would allow the Senate to take into consideration the person’s comments when discussion for the item is reached on the agenda.

**Format:**
1) Consider 4 minutes per speaker as our Board allows 4 minutes per person.  
2) Total time of 15 minutes equals 3-4 persons speaking during this time (provided they use all of their time).  
3) If more time is needed, a motion can always be made to extend public comment.  
4) A statement added to the agenda about contacting the Senate Secretary if one wishes to participate in public comment.  
5) A statement added to the agenda to let the public know that, "The Senate welcomes all comments during the agendized item."

Curriculum Committee Proposal to the Academic Senate

Move the internal Grossmont deadline for initial submittal of curriculum proposals to a date near the end of the spring semester.
Restructure the composition of the Curriculum Committee to include the position of Past Faculty Co-Chair.
Eliminate the standing GE committee. The Curriculum Committee will continue its role in evaluating proposed courses for inclusion in the Grossmont College GE package and applicability to CSUs. If other issues arise, these could be handled through a Curriculum Committee-led task force involving outside members from campus as appropriate.
