D. Part-Time Senate Election
Cathy Harvey informed senators that Michael Piotrowski, one of the part-time faculty Academic Senate representatives, is no longer working on campus; therefore, a Nominations Committee needs to be formed to facilitate an election for a new adjunct senate representative. Barbara Chernofsky and Cary Willard volunteered; however, Barbara suggested that the person with the second highest number of votes from the May 2000 election take Michael Piotrowski’s place.

Dave Wertlieb called for a motion to suspend the rules allowing the Nominations Committee to review the May 2000 election and to bring to the next senate meeting the name of the person who came in second. That person will replace Michael Piotrowski as the part-time representative, serving the duration of his term.

B. Faculty Hiring Procedures
Cathy Harvey presented the proposed District Hiring Regular Faculty Procedure (PE9) prepared for the Joint Academic Senate Meeting on August 16, 2001, and revised on September 17, 2001. The operating procedure, developed by the Cuyamaca and Grossmont Academic Senate Officers and the District Vice-Chancellor for Human Resources, describes step by step the procedure for hiring regular faculty. Some noteworthy features of the operating procedure are:

- Current shared governance structures are reflected in the procedure.
• Use of Pass/No Pass/Reservation in evaluating candidates replaces the point system.
• A Selection Plan form for specifying the selection criteria is included.
• An e-mail template for timely communication of appointments to the Search and Interview Committee is included.
• A finalist Profile form for listing respective strengths and weaknesses of finalists is included.

Senators reviewed the procedure and several suggestions and concerns were raised. Cathy asked for senators’ approval of the procedure as presented and explained that after today’s approval, she will take any proposed recommendations for changes to both the Cuyamaca Senate and to Charleen McMahan for discussion. She added that a very good working relationship has developed between both senates and Charleen and that Charleen has expressed her willingness to consider changes.

Motion to approve the Grossmont-Cuyamaca Hiring Regular Faculty Procedure (PE9) – REVISED 9/17/01

III. INFORMATION ITEMS

A. Planning Retreat Information
   Presented by Beth Smith
   Beth Smith presented to the senate the list of Grossmont College Strategic Planning Goals. She also presented a sample overhead of one Educational Master Plan to show the faculty that their participation in the planning process includes writing their own departmental goals and activities.

   Further, to encourage more faculty participation in the college planning process and to help faculty leaders extract the important areas and priorities from a broader faculty input, the senate officers prepared the following draft resolution for senate consideration:

   Whereas Title 5 §53200 States the responsibility of the Academic Senate to participate in the planning for “policy development and implementation matters for processes for institutional planning and budget development,”

   Whereas the faculty of Grossmont College are committed to realizing the role of faculty in shared governance,

   Whereas prudent planning promotes the effective distribution and utilization of resources to fulfill the college mission,
Whereas each faculty member in every department has a role and responsibility to participate in the planning process,

Whereas the results of department planning processes guide faculty leaders in responsible representation,

Be it resolved that the faculty of Grossmont College commits to a collegial conversation among faculty to define individual department goals, accomplishments and needs to inform institutional planning processes,

Be it resolved that due to the significant role faculty are designated to play in the planning process, the Academic Senate will commit an appropriate amount of time for this endeavor each spring during Professional Development Week.

Due to the lack of time at today’s meeting, discussion of the resolution was non conclusive.
