D. Proposed 2002-2003 Academic Calendar
Cathy Harvey informed senators that the Academic Calendar 2002-2003 attached to the senate agenda has been approved by the Calendar Committee, which is composed of representatives from Cuyamaca and Grossmont College. Mel Amov added that the calendar was developed in close alignment with the San Diego State University beginning and ending dates.

II. ACTION ITEMS

A. Governing Board Policy Manual, Chapter 4/Academic Policies
Cathy recalled discussion about the Governing Board Policy Manual, Chapter 4/Academic Policies, presented at the November 5 Academic Senate meeting citing the concern that the Cuyamaca Senate had voiced. Their senate had discussed the policies and wanted to clarify the role of the Academic Senate within the text of the policies. She guided senators through the policies and identified each of the changes that the Cuyamaca College proposed.

A motion was called to approve the Governing Board Policy Manual, Chapter 4/Academic Policies with the proposed changes.

The policies were approved with no objections.

B. Senate Approval of Search and Interview (S&I) Committee for Full Time Faculty Hiring.
Step 6 of the PE9 (Hiring Regular Faculty Operating Procedure) outlines the responsibilities of the senate in approving faculty members to serve on the Search and Interview Committees for hiring full time faculty. At the November 5 Academic Senate meeting the senate approved the procedure to grant the Search and Interview Committee Chair the authority to act on behalf of the senate president to approve faculty members for the S&I Committees.
The Academic Senate not only has authority to approve faculty members, but is also obligated to approve the entire Search and Interview Committee. Dave Werlieb, Zoe Close, Barbara Chernofsky and Cathy Harvey developed the following proposal as a procedure to respond to concerns about an administrative appointee to a S&I Committee:

*Proposal for how the Senate President responds to concerns about an administrative appointee to a Search and Interview Committee:*

*Step 8 of the PE9 (page 4) reads as follows:*

**Academic Senate President**

Advise and consult with the College President and Affirmative Action Officer regarding desired job related characteristics of the S&I Committee that are not addressed within the membership of the Committee, if any. Upon concurrence of the three parties, and in accordance with respective Academic Senate procedures, finalize the formation of the S&I Committee.

*Protocol for Step 8 of PE9:*

The name of the administrative appointee is forwarded to the Senate President*. If the S&I Committee Chair approves the administrative appointee, the Senate President* notifies the College President and the Affirmative Action Officer. However, if the S&I Committee Chair has any concerns regarding job-related characteristics about the appointee, these concerns are forwarded by the Senate President* to the College President and to the Affirmative Action Officer.

*or designee

The proposal was approved with no objections.

III. INFORMATION ITEMS

A. Matriculation Plan
   Presented by Jim Fenningham
   The Student Success Committee serves as the Matriculation Advisory Committee. It is the charge of the committee to review and update the Matriculation Plan. Jim Fenningham, as the Student Success Committee Chair, informed senators that the committee has been working on formatting the Matriculation Plan. Several changes were made to the plan to align it with Grossmont College’s planning documents. Jim added that the plan has not been updated since 1994; therefore, many changes were required. He will make the plan available as soon as it is finalized.

B. Faculty Development Committee Proposal
   Presented by Mike Matherly
   Mike presented the following Adjunct Faculty Staff Development requirement proposal developed by the Faculty Development Committee:

   **PROPOSAL**

   The Faculty Development Committee recommends that adjunct faculty be given the opportunity to complete staff development hours by December 1st in the Fall semester and May 1st in the Spring semester (dates identified by payroll as timely). Hours not completed by these dates will result in final paychecks being docked.

   Currently, adjunct faculty are required to complete their hours by the end of the first week of the semester.

   The Faculty Development Proposal was discussed. It will be an action item at the December 3 Academic Senate meeting.

C. Student Center Vote
   Presented by Peter White
   Peter reported that the number of students participating in the Student Center vote was fewer than the number required which is 20% of the entire student population. However, of those who did vote, 76% were in favor of the project. For this reason, the college is interested in conducting another
Student Center vote, which will include an improved mechanism, better instructions, more instructors’ participation along with more direct interaction with students to ensure an understanding of the project. Richard Ferrell, ASGC President, and Peter White will start a new campaign next week. Peter asked for faculty’s participation in the Student Center vote Campaign Committee.

D. Planning Process

Presented by Beth Smith and Jerry Buckley

Through the leadership of Jerry Buckley and Beth Smith, the Grossmont College administrative team, Brad Phillips, and the senate officers have developed a document that will integrate the Strategic Plan into the Educational Master Plan. The purpose of the pilot project is to facilitate accurate data collection for the Educational Master Plan. Jerry presented the pilot project to the senate and guided senators on how data will be entered. He also provided a handout with the project’s instructions. Beth Smith presented the timeline for the Educational Master Plan and information regarding additional training opportunities for completing it.

The meeting adjourned at 12:20 p.m.

Approved on December 3, 2001
