II. PRESIDENT’S REPORT

Beth reminded everyone of the Governing Board meeting tomorrow at Cuyamaca. She stated a requested has been made for the meetings to be moved to a larger venue to accommodate all guests. The chancellor’s said that the board meetings will not be moved, but could be in the future, once the current construction is finished and there is more space. Beth was unclear on whether speakers or chairs would be available outside the meeting room. The group discussed the Brown Act and whether or not it was legal for the Board not to accommodate any persons who want to attend a public meeting. It was stated that with this being an election year, the community should have access to the Board meetings. SOC will look it up in the Brown Act.

Suda House stated the situation of not allowing every interested person into the meetings was wrong and not in the spirit of democracy and should be pursued with an attorney. The group discussed a variety of available locations on campus that could
accommodate larger groups. The general community being able to attend the meetings was also reviewed.

Beth reviewed the upcoming Academic Senate meeting schedule. The next Academic Senate meeting is scheduled for April 3rd and the next meeting will be the first Monday after Spring Break, April 17th. Since Spring Break will be the week before the April 17th meeting, the agendas will be distributed during the week of April 3rd after the Monday meeting. Please note the April 17th meeting will be held in Room 524. Beth will remind everyone of the change of location before the meeting.

The next Chairs & Coordinator’s Committee meeting will be on March 27th.
