

STEPS TO FOLLOW IN APPLYING FOR A STAFFORD STUDENT LOAN

- Complete the FAFSA and any other required forms.
- The address in Admissions and Records is the address that will be used on your loan application. Make sure that your address in Admissions and Records is current and correct.
- Complete the Entrance Interview by going to www.grossmont.edu/fa and selecting Stafford Loan Entrance Interview. This is required for ALL first time borrowers at Grossmont College. If you have previously borrowed while at Grossmont College, you will not be required to complete an Entrance Interview.
- Complete the Grossmont College Loan Request Form **after you have passed the Entrance Interview**. Return it to the Financial Aid Office.
- The Financial Aid Office will certify your eligibility and transmit your loan request electronically to EdFund, the California Guarantee Agency, or the guarantor associated with your lender.
- EdFund or the guarantor associated with your loan will mail a pre-printed Master Promissory Note (MPN) to you. Follow the instructions on the Checklist and complete any missing data elements. Sign the Master Promissory Note and return the MPN to the Lender in the envelope provided. (Do **NOT** return the MPN to Grossmont College.)
- When the lender receives the guarantee and the Master Promissory Note, the lender will process the loan and forward the loan check to the Financial Aid Office.
- We will notify you by mail when your loan check is available and where to pick it up. **Processing of your loan check will take up to 10 working days once it arrives in the Financial Aid Office.**
- Your loan will be disbursed in two separate installments. Before the second check is disbursed, you will be required to complete an **Exit Interview**. Please do so before the date printed on the Disclosure Statement sent to you after the lender receives your MPN. You may do that by going to www.grossmont.edu/fa and selecting Stafford Loan Exit Interview.
