

TEMPORARY HOUSING (MOTELS/HOTELS)

For a temporary place to stay until you locate suitable housing, there are several local hotels and motels. There are no hotels available within walking distance to the college, but the hotels listed below are all within 10 miles of campus and are located next to or near bus stops or trolley stations. Prices listed below are based on special discount rates available to Grossmont College students. Prices are approximate only, and are subject to change. Below each hotel listing is a set of instructions for using public transportation from the hotel to Grossmont College, with corresponding travel times.

It is a good idea to make your room reservation well in advance of your arrival. Remember, you are responsible for making your own motel/hotel reservations. To make your reservation, have ready your 1) arrival and departure dates, 2) number of people to stay in room, 3) smoking/non-smoking preference and 4) credit card information to guarantee reservation (exact name and spelling of cardholder, number, and expiration date). When making your reservation, be sure to mention that you're a Grossmont College student, and want the discounted room rate.

You may also wish to look at other hotels via the Internet or a travel agency, but keep in mind that downtown or beach accommodation, while just 20 minutes by car to campus, is more than 1 hour from the Grossmont campus via public transportation.
