**GROSSMONT COLLEGE STUDENTS TO RECEIVE SCHOLARSHIPS,  
ACHIEVEMENT AND SERVICE AWARDS MAY 2**

**El Cajon** - Grossmont College will honor students for academic achievement and service at the 41st annual Scholarship and Service Awards Ceremony, 6:30 p.m. Friday, May 2 at the Student Center.

Scholarships are awarded on a competitive basis by the Grossmont College Scholarship Advisory Committee. Merit scholarships are awarded solely on the basis of academic merit. Restricted scholarships are awarded on the basis of merit and one or more additional criteria, such as demonstrated financial need, study in a particular major, or leadership.

"This is the time for our students to shine," said Dr. Ted Martinez, Jr., college president. "We applaud their success, and look forward to celebrating their academic and community achievements."

Approximately 50 students will receive awards totaling more than \$12,000. Students selected for these awards have distinguished themselves academically, and have performed

significant campus or community service. Individual disciplines within each division will also honor a top student. The Associated Students of Grossmont College is the event sponsor.

One of the highlights of the evening will be the announcement of the Man and Woman of Distinction Awards, given to two students who have provided leadership and service to the college through student government, campus clubs or intercollegiate sports.

The more than 100 achievement awards and scholarships are made possible by donations from area service clubs, campus organizations, individuals and corporations, and by the Grossmont College Foundation. According to Howard Kummerman, Executive Director of the Grossmont College Foundation, "Every gift toward scholarships at Grossmont College is appreciated and celebrated. Every gift regardless of its size, helps deserving students."

Grossmont College is at 8800 Grossmont College Drive in El Cajon. For driving directions and campus map, please visit [www.grossmont.edu](http://www.grossmont.edu).

For more information about the Grossmont College Foundation contact Howard Kummerman at 619-644-7109.
