

## *“Open Doors to Diverse Teaching Strategies”*

Volunteer Instructors for Fall, 2004 Staff Development\*

The following instructors have opened their classrooms for visitations by their colleagues as part of an “Open Doors to Diverse Teaching Strategies” alternative for earning FLEX CREDIT. Faculty visiting these instructors, or other instructors with whom arrangements are made, will earn flex credit on the basis of one hour of observation being equal to one hour Flex Credit.

To participate in this program, please do the following:

- Using the **Faculty Professional Development Contract**, indicate under **Activity** the instructor, class, date and number of hours of your visitation along with the other professional development activities you will be using for Flex Credit.
- Submit the Faculty Professional Development Contract to your department chair/coordinator by the **end** of Professional Development Week (August 20, 2004).

If an instructor whom you would like to visit is not listed below, please contact that instructor to ask permission to visit and arrange an appropriate class, date and time.

On the day of the visitation, please do the following:

- Using the **Project Proposal for Professional Development Hours** form, indicate under **Methods** the instructor, class, date, number of hours of your visitation, and any other pertinent information regarding that activity. Have the instructor you visited sign the form in the **Estimated Time** line.
- Submit the Project Proposal for Professional Development Hours form to the division secretary.

All faculty must submit the **Faculty Professional Development Contract** to their department chair/coordinators by Friday, August 20, 2004. Full-time faculty have the academic year to complete all required professional development activities for Flex Credit. Part-time faculty have until Friday, September 24, 2004 to complete professional development activities for Flex Credit for the Fall, 2004 semester. If you have any questions, please contact your division office.
