The Early Admission Opportunity program offers priority registration to students who fully matriculate by June 25, 2015. EAO is open to first time college students who just graduated from high school and will attend classes this Fall 2015. You must apply, assess, and advise at Grossmont College*.

1 APPLICATION
   Apply to Grossmont College (allow 24 hours)
   Note: May/June 2015 high school graduates, please enter the information on your application as if you have already graduated. Failure to do so could delay your registration.

2 ONLINE ORIENTATION
   Complete Online Orientation.
   Go to WebAdvisor
   • Click on “Log In”. You will need to set up your WebAdvisor account
   • Click on the “Students” tab → “Orientation/Assess/Advising” → “Step One – Online Orientation”

3 ASSESSMENT
   Schedule an appointment for the English & Math Assessment Test.
   Go to WebAdvisor and Log In
   • Click on the “Students” tab → “Orientation/Assess/Advising” → “Step Two – Schedule Assessment” → Grossmont Assessment Appointment” “Make Appointment” → “English & Math Assessment”, press Continue → “Find Appointments”
     Click here to see the Assessment Exemptions.
     Click here for Practice Test.

4 ONLINE ADVISING
   Once you have completed the Online Orientation and Assessment, you can complete the Online Advising.
   Go to WebAdvisor and Log In
   • Click on the “Students” tab → “Orientation/Assess/Advising” → “Step Three – Online Advising” → Click on “Online Advising”

*If you assessed at a local community college (Cuyamaca, Palomar, San Diego City-Mesa-Miramar, Southwestern), you must take your scores to the Assessment Office. You are eligible for EAO if you complete the Online Advising here at Grossmont.
