Hi Michael,

Attached are two versions of our compiled list.

- SOW-complied-list.docx
Is a bulleted summary list broken into categories
- NewAdminChecklist2.0-SOW-04-17-2020

Same list plugged into the checklist tool OmniUpdate provided to us

Included her to help prioritize our list

In the interest of simplicity, our group might want to review the SOW-compiled-list.docx as many of the items on our list do not fit into the categories included in the NewAdminChecklist2.0 tool OmniUpdate provided to us.

Thanks for your time and attention,

Deanna
