# Welcome to Grossmont College!

## *A message from the president*

*D*ear Student,

Thank you for joining us for the fall semester at Grossmont College. As you review this fall's schedule, I hope you find opportunities for yourself to grow both intellectually and personally. Our college has always been committed to "transforming lives through education" and, now more than ever, we strengthen this commitment to both you and our community. Our college is working to reduce the achievement gap for our students of color and doing our best to make sure the resources we provide can help all students achieve successful outcomes.

While many of our classes are online – whether they're scheduled anytime or at a specific time – we still have a few classes that must remain in person. In those in-person classes, we are making sure to limit enrollment to ensure safe physical distancing practices. We are also making sure that our campus spaces are

cleaned and sanitized regularly, and in areas where there are in-person services provided, installing partitions and signage to help protect both your health and that of the faculty or staff member you're meeting.

While you may not need to step foot on our physical campus this semester, please know that we are always here for you, whether it's a phone call, email or virtual meeting. We have online services for the library and tutoring, virtual appointments with academic and mental health counselors, and many other virtual services you may have used in the past, as well as new ones we've implemented in the wake of COVID-19.

We are here to help you find success on your academic journey this semester. Thank you again for joining us at Grossmont College!

Regards,

Nabil Abu-Ghazaleh, Ed.D.  
President

## COURSE PREREQUISITES

- Please check the course description in the college catalog for course prerequisites. If an assessment test is required, check the list of test dates on the assessment web site at [www.grossmont.edu/assessment](http://www.grossmont.edu/assessment). If you believe you have met the prerequisite, visit our web site at [www.grossmont.edu/assessment/prerequisite](http://www.grossmont.edu/assessment/prerequisite). If the prerequisite has not been met, an alternate course should be selected.

## WAIT LIST PROCESS

Wait lists for all classes begin the instant that classes close due to full enrollment. Students **cannot be added to a wait list IF:** (1) it is prior to student registration appointment; or (2) the student is already enrolled, or on a wait list, in another section of the same class; or (3) the wait list is full; or (4) the class has started. Students are added to the wait list for a class on a first-come, first-served basis.

**As seats become available**, students are automatically added to the class in which they are wait-listed. **Students will not be added to a class IF:** (1) the class will cause a time conflict with another class on the student schedule; or (2) the class will cause the student to go over the maximum number of units allowed; or (3) another section of the same course is already on the student schedule; or (4) the student has a HOLD which prohibits registration. The student will be **billed immediately** once the student has been successfully moved from the wait list into the class and an **email notice** will be sent to the **student email address on record**. It is the **student's responsibility** to update all of their contact information in the Admissions and Records Office. To check and keep your information current, please use the Update Personal Information link under User Account on the WebAdvisor Student Menu.

**For students that were not registered from the wait list:** (1) student cannot view wait-listed classes after semester begins; (2) on the first day of class, instructors will determine the number of open seats; (3) spaces may be offered to students in the order their names were added to the wait list; (4) if a space is offered to a student, the instructor will give the student an authorization code; (5) the CODE must be used by the "use by" date.

**Students are responsible for all fees generated from added classes;** includes all forms of adds via web, moved from wait list, or by an add card. Students are responsible for monitoring their schedule and fees using WebAdvisor.

## UPDATING YOUR RECORDS

- **What is my User ID?** User I.D. is your first name, a period and your last name (firstname.lastname); and is in lower case. Your user ID may contain numbers. Go to the WebAdvisor webpage and select "What is my user ID?" from the Student Menu. Provide the required information to obtain your user ID.
- **What is my Colleague I.D.?** Colleague I.D. is a unique 7 digit student identification number assigned to you by the college (replaces social security number as I.D.).
- **What is my Password?** The initial Password is your PIN (birth date – MMDDYY). Upon first login you will be required to choose a NEW password (must be 6-9 characters, using both letters and numbers, and is case sensitive).
- **Address and E-Mail Changes:** Login to WebAdvisor, click *Students*, click *Address Change* and update your information. We will be corresponding to you via e-mail regarding registration information, class change notifications and other important messages; therefore, it is important that your e-mail is correct. **Please make sure you have the college domain (gcccd.edu) on your Safe Sender list.**
- **Academic Program (Major Code):** You may update your Academic Program (major) by submitting an Academic Program Change form to the Admissions and Records Office.

## IMPORTANT COURSE REPETITION CHANGES

The California Community College Board of Governors recently passed revisions to Title 5 regarding course repetition that took effect during the 2012 summer semester. Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, NP or NC) or withdrew from the class with a "W." Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause so any student that has already taken a course the maximum number of times will no longer be able to take the same class within the Grossmont-Cuyamaca Community College District.

### Course Repetition and Receiving Federal Aid

Students can only receive financial aid for up to one (1) repeat of any course with a passing grade (A, B, C, D, and P grades are considered passing for financial aid purposes).

**Get your ID  
cards at the  
Admissions and  
Records Office.**

## Prerequisite Clearance Information

It is extremely important to clear your prerequisites from coursework taken at colleges outside the Grossmont-Cuyamaca Community College District before your registration date! Please check to see if your class has a prerequisite in the Grossmont College Catalog. Prerequisites must be cleared prior to enrollment. Plan ahead and take care of this as early as possible to avoid waiting in long lines and possible delays to your enrollment in important classes.

Prerequisites **ARE NOT** cleared automatically.  
Requests to clear any prerequisite **MUST be initiated by the student.**

Please visit the prerequisite clearance website at [www.grossmont.edu/assessment/prerequisite](http://www.grossmont.edu/assessment/prerequisite) and navigate to the appropriate department(s) for instructions on how to clear a specific course prerequisite. Classes meeting at the times shown in the above schedule need to use the first hour of the week of the class as key to examination times. For example: classes meeting M or MTWTh at 10:00 a.m. or 10:30 a.m. would meet for the final examination Monday, December 14, 9:25 a.m.-11:25 a.m.; classes meeting T or TTh at 11:00 a.m. or 11:30 a.m. would meet for the final examination on Tuesday, December 8, 11:35 a.m.-1:35p.m.

**SATURDAY CLASSES WILL HOLD EXAMINATIONS ON SATURDAY, DECEMBER 12, AT NORMAL CLASS HOURS. SHORT-TERM CLASSES WILL HOLD EXAMINATIONS ON THE LAST MEETING OF THE CLASS.**

The examination time of a combination lecture and laboratory course should be determined by the lecture.

Laboratory examinations, if required, should be given prior to Finals Week. Such examinations should not be given in lieu of any final examination for the entire course.

For those students who have overlapping final exams, they are advised to work with their instructors to reschedule their exams. Each examination will be given in the regular classroom unless otherwise arranged by the instructor with approval of their dean and Instructional Operations.

In the event a severe illness or an emergency prevents a student from taking a final examination during the regularly scheduled time, instructors must be notified and the student must make up the examination as soon as possible. In all cases the illness or emergency must be verified.
