GROSSMONT COLLEGE - BASIC SKILLS CLASS

If you're taking Chef Orate's Basic Skills Class, you will need one of the following knife kits:

GR-Basic - The basic kit, which includes Messermeister Four Seasons knives. These knives are stamped from a single piece of fine German stainless steel. They feature a molded, comfortable, over sized handle and a wide blade on the chef's knife.

GR-Recommended - This kit is the recommended kit by Chef Orate, which includes all Mercer Genesis knives. Mercer Genesis knives are made with forged German MV steel (as opposed to stamped). Each knife is one piece, full tang with a comfortable, non-slip, Santoprene handle. This is a soft-grip material which is extremely durable.

GR-Premium - This kit is made up of Messermeister Meridian Elite Knives. A premier knife maker with lifetime free factory sharpening service, modified bolsters, 17 degree mirror polished edges and a riveted handle. These are amongst the finest knives coming out of Solingen Germany.

This area is for culinary students only. You will need a passcode to enter.
