Notes

The Nursing program does not accept 1-semester Anatomy and Physiology (e.g. SWC BIO 190) courses designed for other specialized health programs. Students are encouraged to meet with a Counselor to review program prerequisites and degree requirements. Current students can schedule an appointment by visiting the Counseling ["Online Appointment System"](#). Alternatively, current students can get quick questions answered by using the ["Email a Counselor"](#) service.

Students should visit the [Grossmont Nursing Program website](#) to review admission, TEAS and FAQs related to the application and admission to the program.
