<td>4.0</td>
</tr>
</tbody>
</table>

#### Symbols
- Indicate G.E. courses, prerequisites, nondegree credit courses, etc. See legend at the bottom of each page.
- # (section number)
- Section Number
- Number used to register for classes
- Indicates a short-term class
- Time & day of class
- All times and days listed under a section number apply to that specific section of a course.
- Bold text indicates an evening class.
- S (short-term)
- Indicates a short-term class
- Some Saturday field trips may be held
- Note: Applies to all sections of a course

#### SELF-SERVICE / WEB ADVISOR SAMPLE

The "Not Online" filter will include ERT courses that are remote "WEB" based instruction with required synchronous meeting days/times.
## FINAL EXAMINATION SCHEDULE - FALL 2021

ALL CLASSES ARE REQUIRED TO HAVE FINAL EXAMINATIONS. The schedule listed below is to be used as a guide in determining when a final exam will be given. **It is not possible to schedule finals for every class time.** For those students who have overlapping final exams, they are advised to work with their instructors to reschedule their exams.

**PLEASE NOTE:** Final Exams begin on Monday, December 13, 2021.

| F, MTHF or Daily only                    | 3:00 p.m.               |
| F only                                   | 6:00 or 6:30 p.m.       |

| **SATURDAY, DECEMBER 18**                |                         |

Saturday final is given during regular Saturday class hours

See next page for more info about final exams.
Classes meeting at the times shown in the above schedule need to use the first hour of the week of the class as key to examination times. For example: classes meeting M or MTWTh at 10:00 a.m. or 10:30 a.m. would meet for the final examination Monday, December 13, 9:25 a.m.-11:25 a.m.; classes meeting T or TTh at 11:00 a.m. or 11:30 a.m. would meet for the final examination on Tuesday, December 14, 11:35 a.m.-1:35 p.m.

**SATURDAY CLASSES WILL HOLD EXAMINATIONS ON SATURDAY, DECEMBER 18, AT NORMAL CLASS HOURS. SHORT-TERM CLASSES WILL HOLD EXAMINATIONS ON THE LAST MEETING OF THE CLASS.**

The examination time of a combination lecture and laboratory course should be determined by the lecture. Laboratory examinations, if required, should be given prior to Finals Week. Such examinations should not be given in lieu of any final examination for the entire course.

For those students who have overlapping final exams, they are advised to work with their instructors to reschedule their exams. Each examination will be given in the regular classroom unless otherwise arranged by the instructor with approval of their dean and Instructional Operations. In the event a severe illness or an emergency prevents a student from taking a final examination during the regularly scheduled time, instructors must be notified and the student must make up the examination as soon as possible. In all cases the illness or emergency must be verified.

Take them together with an interesting theme in Fall 2021 and get these GEs out of the way!

How can you combine the insights of English and math to better understand social phenomena? In this themed Project Success learning community, you will explore both constructive and damaging social trends through a multidisciplinary perspective. The semester will end with an "action project" where students will critically explore local, national, and global trends. Also, you'll get to know your classmates through Zoom during scheduled class times.

Register on Self-service today! For more info, contact Project Success Coordinator michelle.crooks@gcccd.edu or visit www.grossmont.edu/ps
Grossmont students can take English 120: College Composition & Reading linked to English 020. This second course offers an additional unit of support—time to practice skills, engage in group work, and get extra one-on-one help. The instructors are specially trained, and many of the sections have class tutors. English 020 is required for students who earned below a 2.6 GPA in high school, but it is also available to anyone who could use this extra hour per week to help succeed in English.

## Fall 2021 Options

### Mon./Wed. Sections

Math 110 (5)
Intermediate Algebra for Engineering, Business, Science

Math 178 (4)
Calculus for Business, Social & Behavioral Sciences

Math 078 (2)
Foundations for Calculus for Bus, Soc, & Behave Sci

Math 160 (4)
Elementary Statistics

Math 178 (4)
Calculus for Business, Social & Behavioral Sciences

Math 160 (4)
Elementary Statistics

Math 060 (2)
Foundations for Elementary Statistics

Business Major Notes:
- It is recommended to take Math 178 before taking Math 160.
- Many Business majors do not need BOTH Math 178 & Math 160.
- Some universities REQUIRE Math 180 for Business majors & won't accept Math 178.

Please note some students will be placed in "0" support classes that will be taken concurrently.

*Passing MATH 176 is equivalent to passing both MATH 170 & MATH 175. A student will earn 6 units for passing MATH 176 or a total of 7 units for passing both MATH 170 & MATH 175.

Please see a counselor prior to registering for a Math Class.

Grossmont College Mathematics Department
Fully Online (FO) / Distance Education (DE)

Fully Online/Distance Education course activity occurs online and there are no required real-time or on-campus meetings. All content is delivered in a course management system (Canvas). Coursework has due dates as set by the instructor, yet can be completed at any time before the due date according to an individual student’s schedule. Quizzes or tests may have a shortened period (usually a week’s time) during which students will need to complete them.

• Marked “WEB” in the schedule for the location
• Does not meet on specific day/times

Partially Online (PO) / Hybrid (HYD)

Partially Online/Hybrid course activity occurs both online and face-to-face (F2F) on-campus. Both the online and on-campus portions are required. The on-campus meetings occur on scheduled days and times. All online content is delivered in a course management system (Canvas) and via online meetings (Zoom).

• Includes both F2F on specific days/times and “WEB” portions
• Read the course section details carefully

Face-to-Face (F2F)

Face-to-face (F2F) course activity occurs at Grossmont College’s campus or a designated physical site. The course meetings occur at scheduled days and times. Instructors may use a curriculum management system (Canvas) or other software to enhance the class (i.e. posting the syllabus or hosting a discussion board) outside of the on-campus meetings.

• “Location” in class schedule lists building / room number
• Refer to the “How To Read Course Offerings” for guidance

Emergency Online (EO) / Emergency Remote Teaching (ERT)

The emergency class format has required real-time online meetings (Zoom) occurring on scheduled days and times. Most course activity occurs online. There may be required on-campus meetings (i.e., for final exams). Course content can be delivered both in a course management system (Canvas) and synchronously online (via Zoom). Quizzes, tests, and other coursework may be completed outside of the online Zoom meetings by the due date set by the instructor.

• Synchronous meeting times marked “WEB” in the schedule with specific days/times
• Any on-campus components are in section notes
