See next page for more info about final exams.

Classes meeting at the times shown in the above schedule need to use the first hour of the week of the class as key to examination times. For example: classes meeting M or MTWTh at 10:00 a.m. or 10:30 a.m. would meet for the final examination Monday, December 13, 9:25 a.m.-11:25 a.m.; classes meeting T or TTh at 11:00 a.m. or 11:30 a.m. would meet for the final examination on Tuesday, December 14, 11:35 a.m.-1:35 p.m.

SATURDAY CLASSES WILL HOLD EXAMINATIONS ON SATURDAY, DECEMBER 18, AT NORMAL CLASS HOURS. SHORT-TERM CLASSES WILL HOLD EXAMINATIONS ON THE LAST MEETING OF THE CLASS.

The examination time of a combination lecture and laboratory course should be determined by the lecture. Laboratory examinations, if required, should be given prior to Finals Week. Such examinations should not be given in lieu of any final examination for the entire course.

26

For those students who have overlapping final exams, they are advised to work with their instructors to reschedule their exams. Each examination will be given in the regular classroom unless otherwise arranged by the instructor with approval of their dean and Instructional Operations.

In the event a severe illness or an emergency prevents a student from taking a final examination during the regularly scheduled time, instructors must be notified and the student must make up the examination as soon as possible. In all cases the illness or emergency must be verified.

# Take them together with an interesting theme in Fall 2021 and get these GEs out of the way!

How can you combine the insights of English and math to better understand social phenomena? In this themed Project Success learning community, you will explore both constructive and damaging social trends through a multidisciplinary perspective. The semester will end with an "action project" where students will critically explore local, national, and global trends. Also, you'll get to know your classmates through Zoom during scheduled class times.

# English 020 Support

### What is it?

Grossmont students can take English 120: College Composition & Reading linked to English 020. This second course offers an additional unit of support—time to practice skills, engage in group work, and get extra one-on-one help. The instructors are specially trained, and many of the sections have class tutors. English 020 is required for students who earned below a 2.6 GPA in high school, but it is also available to anyone who could use this extra hour per week to help succeed in English.

Face-to-Face (F2F)

Face-to-face (F2F) course activity occurs at Grossmont College's campus or a designated physical site. The course meetings occur at scheduled days and times. Instructors may use a curriculum management system (Canvas) or other software to enhance the class (i.e. posting the syllabus or hosting a discussion board) outside of the on-campus meetings.

- "Location" in class schedule lists building / room number
- Refer to the "How To Read Course Offerings" for guidance

# Emergency Online (EO) / Emergency Remote Teaching (ERT)

The emergency class format has required real-time online meetings (Zoom) occurring on scheduled days and times. Most course activity occurs online. There may be required oncampus meetings (i.e., for final exams). Course content can be delivered both in a course management system (Canvas) and synchronously online (via Zoom). Quizzes, tests, and other coursework may be completed outside of the online Zoom meetings by the due date set by the instructor.

- Synchronous meeting times marked "WEB" in the schedule with specific days/times
- Any on-campus components are in section notes
