If you believe you have met the prerequisite, visit our web site at <https://www.grossmont.edu/admissions/prerequisites-by-program/index.php>. If the prerequisite has not been met, an alternate course should be selected.

WAIT LIST PROCESS

Wait lists for all classes begin the instant that classes close due to full enrollment. Students **cannot be added to a wait list IF:** (1) it is prior to student registration appointment; or (2) the student is already enrolled, or on a wait list, in another section of the same class; or (3) the wait list is full; or (4) the class has started. Students are added to the wait list for a class on a first-come, first-served basis.

As seats become available, students are automatically added to the class in which they are wait-listed. **Students will not be added to a class IF:** (1) the class will cause a time conflict with another class on the student schedule; or (2) the class will cause the student to go over the maximum number of units allowed; or (3) another section of the same course is already on the student schedule; or (4) the student has a HOLD which prohibits registration. The student will be **billed immediately** once the student has been successfully moved from the wait list into the class and an **email notice** will be sent to the **student email address on record**. It is the **student's responsibility** to update all of their contact information in the Admissions and Records Office. To check and keep your information current, please use the Update Personal Information link under User Account on the Self-Service/WebAdvisor Student Menu.

For students that were not registered from the wait list: (1) student cannot view wait-listed classes after semester begins; (2) on the first day of class, instructors will determine the number of open seats; (3) spaces may be offered to students in the order their names were added to the wait list; (4) if a space is offered to a student, the instructor will give the student an Add authorization via Self-Service.

Students are responsible for all fees generated from added classes; includes all forms of adds via web, moved from wait list, or by an add card. Students are responsible for monitoring their schedule and fees using Self-Service/WebAdvisor.

UPDATING YOUR RECORDS

- **What is my User ID?** User ID is your first name, a period and your last name (firstname.lastname); and is in lower case. Your user ID may contain numbers. Go to the Self-Service/WebAdvisor webpage and select "What is my user ID?" from the Student Menu. Provide the required information to obtain your user ID.
- **What is my Colleague ID?** Colleague ID is a unique 7-digit student identification number assigned to you by the college (replaces social security number as ID).
- **What is my Password?** The initial Password is your PIN (birth date – MMDDYY). Upon first login you will be required to choose a NEW password (must be 6-9 characters, using both letters and numbers, and is Case-sensitive).
- **Address and E-Mail Changes:** Login to Self-Service/WebAdvisor, click *Students*, click *Address Change* and update your information. We will be corresponding to you via e-mail regarding registration information, class change notifications and other important messages; therefore, it is important that your e-mail is correct. **Please make sure you have the college domain (gcccd.edu) on your Safe Sender list.**
- **Academic Program (Major Code):** You may update your Academic Program (major) by submitting an Academic Program Change form to the Admissions and Records Office.

IMPORTANT COURSE REPETITION CHANGES

The California Community College Board of Governors recently passed revisions to Title 5 regarding course repetition that took effect during the 2012 summer semester. Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, NP or NC) or withdrew from the class with a "W." Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause so any student that has already taken a course the maximum number of times will no longer be able to take the same class within the Grossmont-Cuyamaca Community College District.

Course Repetition and Receiving Federal Aid

Students can only receive financial aid for up to one (1) repeat of any course with a passing grade (A, B, C, D, and P grades are considered passing for financial aid purposes).

Schedule your
appointment to get
your ID cards at
the Admissions and
Records Office.

It is extremely important to clear your prerequisites from coursework taken at colleges outside the Grossmont-Cuyamaca Community College District before your registration date! Please check to see if your class has a prerequisite in the Grossmont College Catalog. Prerequisites must be cleared prior to enrollment. Prerequisites **ARE NOT** cleared automatically.
Requests to clear any prerequisite **MUST be initiated by the student.**

Please visit the prerequisite clearance website at
<https://www.grossmont.edu/admissions/prerequisites-by-program/index.php>
