ESL PLACEMENT
Students who are recommended to take English as a Second Language (ESL) classes will complete the online ESL self-guided placement questionnaire to determine the most appropriate starting level. For more information, please contact the Assessment Center by emailing https://www.grossmont.edu/admissions/placement-assessments/index.php.

International students who have received an I-20 form from Grossmont College Admissions Office and have F-1 status are expected to meet the assessment, orientation and registration requirements in their admission letter.

All International F-1 visa students must be full-time (12 units minimum each fall and spring semester) and maintain a minimum grade point average (GPA) of 2.0 to remain in status with Immigration.

AUDITING PROCEDURES
Audit enrollment will not be permitted until students have completed the allowable number of repeats in practice or performance courses. Priority class enrollments are given to students desiring to take the course for credit. No student will be permitted to enroll for audit purposes until Monday of the third week of instruction.

Audit enrollment will be based on “seats available” and will not be used to count toward minimum enrollment requirements. If a class closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit students. Instructor discretion is strongly recommended.

Permission to audit a class is done at the discretion of the instructor and with the instructor’s signed permission. Appropriate forms and procedures are available in the Admissions and Records Office.

No credit will be received for auditing a course. The college will not maintain any attendance or academic records for a student that audits a course.
LOWER DIVISION COURSE EQUIVALENCIES FOR UC, CSU and Independent/Private Universities and Colleges

Students who are interested in satisfying certain lower division course requirements in the major or in general education can complete equivalent courses at Grossmont College. In addition to articulated equivalent courses, it is important to know that the vast majority of courses completed at Grossmont College transfer as fulfilling requirements for majors or as elective units. For additional assistance, visit the Grossmont College Articulation web site: https://www.grossmont.edu/student-support/transfer-center/articulation/index.php.

All official articulation for the CSU (California State University) and UC (University of California) systems is available at www.assist.org. This site is readily available via the Grossmont College Articulation Web Site.

It is important to use these tools along with the assistance from counselors at Grossmont College.

ZERO TEXTBOOK COST

Zero Textbook Cost sections, designated as “ZTC” in the class schedule, do not require students to purchase a textbook. These sections may have recommended (but not required) books, or may use free, openly licensed teaching and learning resources, such as Open Educational Resources (OER). ZTC sections may have a materials fee such as lab supplies, calculator, test forms, etc. but no conventional textbook fees. The college strives to ensure that the ZTC designations are accurate; however, under some circumstances, the instructor or assigned materials may change, affecting course material costs. The online version of the class schedule has the most current listing of ZTC course offerings. If possible, please refer to the online schedule instead of the print schedule for the most up-to-date list of ZTC classes.

OPEN EDUCATIONAL RESOURCES (OER)

Open Educational Resources (OER) are teaching, learning, and research resources that reside in the public domain or have been released under an open license. OER are legally available and free of cost to students. Class sections using OER with no textbook costs are designated as “ZTC” in the class schedule.

THE “AUTHORIZATION CODE” PROCESS

You may add open classes the first week of school by obtaining an Authorization Code from the instructor. With this Authorization Code you may register using Self-Service/WebAdvisor www.grossmont.edu.

The last day to use the AUTHORIZATION CODE will vary by class. You must add the class by the “USE BY” date printed on the AUTHORIZATION CODE label. Once the AUTHORIZATION CODE has expired, you must get the instructor's signature on an Add/Drop card.

The AUTHORIZATION CODE is for your use only. If you share this code with someone who uses it first, you will not be permitted to enroll in the class unless the instructor assigns another AUTHORIZATION CODE to you.

This code will not override course prerequisites! You will not be permitted to add the class until course prerequisites are cleared at the Counseling Center. You will need to provide the AUTHORIZATION CODE when you use Self-Service/WebAdvisor. Once the AUTHORIZATION CODE is entered, the class should be added.

Payment for added classes is expected at time of registration.

A Class and Fee Statement will NOT be mailed. You may print a list of your classes on Self-Service/WebAdvisor (use the “View/Print Schedule” link).

TO DROP A CLASS

You may drop a class using Self-Service/WebAdvisor.

You must complete the drop before the drop deadline for the class. To be eligible for a refund, you must drop the class before the refund deadline.

A refund check will be mailed to you or you may contact the College Cashier’s Office. Refunds do not carry over to future semesters.
