AUDITING PROCEDURES

Audit enrollment will not be permitted until students have completed the allowable number of repeats in practice or performance courses. Priority class enrollments are given to students desiring to take the course for credit. No student will be permitted to enroll for audit purposes until Monday of the third week of instruction.

Audit enrollment will be based on "seats available" and will not be used to count toward minimum enrollment requirements. If a class closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit students. Instructor discretion is strongly recommended.

Permission to audit a class is done at the discretion of the instructor and with the instructor's signed permission. Appropriate forms and procedures are available in the Admissions and Records Office.

No credit will be received for auditing a course. The college will not maintain any attendance or academic records for a student that audits a course.

LOWER DIVISION COURSE EQUIVALENCIES FOR UC, CSU and Independent/Private Universities and Colleges

Students who are interested in satisfying certain lower division course requirements in the major or in general education can complete equivalent courses at Grossmont College. For additional assistance, visit the Grossmont College Articulation web site: <https://www.grossmont.edu/student-support/transfer-center/articulation/index.php>.

All official articulation for the CSU (California State University) and UC (University of California) systems is available at www.assist.org. This site is readily available via the Grossmont College Articulation Web Site.

It is important to use these tools along with the assistance from counselors at Grossmont College.

ZERO TEXTBOOK COST (ZTC)

The college strives to ensure that the ZTC designations are accurate; however, under some circumstances, the instructor or assigned materials may change, affecting course material costs. The online version of the class schedule has the most current listing of ZTC course offerings. If possible, please refer to the online schedule instead of the print schedule for the most up-to-date list of ZTC classes.

Grossmont College Math Pathways

ALL STUDENTS WILL START AT TRANSFER LEVEL.
 Check with your counselor to determine which Math Pathway is best to meet your educational goals.

SLAM TRANSFER-LEVEL STATISTICS AND LIBERAL ARTS

BSTEM TRANSFER-LEVEL BUSINESS, SCIENCE, TECHNOLOGY, ENGINEERING, AND MATH

Support courses are designed to supplement topics needed for success in the paired transfer-level math course.

Passing Math 176 is equivalent to passing BOTH Math 170 & Math 175. A student will earn 6 units for passing Math 176 or a total of 7 units for passing both Math 170 & Math 175.

Education Majors - Ideally it is recommended to take Math 125 & 128 concurrently. Math 128 is not required by many universities.

Business Majors - It is recommended to take Math 178 before taking Math 160. Many Business majors do not need BOTH Math 178 & 160. Some universities **REQUIRE** Math 180 and **WON'T** accept Math 178.

SLAM includes Education, Allied Health, and Nursing Majors.
