GROSSMONT
COLLEGE

Face-to-Face (F2F)

Face-to-face (F2F) course activity occurs at Grossmont College's campus or a designated physical site. The course meetings occur at scheduled days and times. Instructors may use a curriculum management system (Canvas) or other software to enhance the class (i.e. posting the syllabus or hosting a discussion board) outside of the on-campus meetings.

grossmont.edu/face-to-face

- **"Location" in class schedule lists building / room number**
- **Refer to the "How To Read Course Offerings" for guidance**

Fully Online (FO) / Distance Education (DE)

Fully Online/Distance Education course activity occurs online and there are no required real-time or on-campus meetings. All content is delivered in a course management system (Canvas). Coursework has due dates as set by the instructor, yet can be completed at any time before the due date according to an individual student's schedule. Quizzes or tests may have a shortened period (usually a week's time) during which students will need to complete them. grossmont.edu/online

- **Marked "WEB" in the schedule for the location**
- **Asynchronous: Does not meet on specific days and times**
- **Synchronous: Meets on specific days and times**

Partially Online (PO) / Hybrid (HYD)

Partially Online/Hybrid course activity occurs both online and face-to-face (F2F) on-campus. Both the online and on-campus portions are required. The on-campus meetings occur on scheduled days and times. All online content is delivered in a course management system (Canvas) and via online meetings (Zoom). grossmont.edu/hybrid

- **Includes both F2F on specific days/times and "WEB" portions**
- **Read the course section details carefully**

HyFlex

A HyFlex class section is taught on the same days and times, both on-campus and online. The instructor teaches this class section on campus while also engaging with students online. Students will have the flexibility to choose to either attend class in-person/on-campus or attend online via ZOOM. Some HyFlex sections may require in person class attendance for specific dates as listed in the schedule of classes. grossmont.edu/hyflex

REGISTRATION:

You will receive an email with your registration date and time. You will register online using self-service:
<https://selfservice.gcccd.edu/student>

- Tip: Search the online class schedule and check for course prerequisites to make sure you are cleared ahead of time.
- Time conflicts are not allowed! You may not register for any section that meets on the same day and at the same time as another section you have selected.
- You may not enroll in two sections of the same subject.
- The maximum number of units you may enroll in is eighteen (18). To add additional units, you must contact counseling for an overload card. This card will be submitted by the Counseling Department to the Admissions and Records Office.

WAITLIST PROCESS

Wait lists for all classes begin the instant that classes close due to full enrollment. You cannot be added to a wait list IF:

- It is prior to student registration appointment
- You are already enrolled, or on a wait list, in another section of the same class
- The wait list is full
- The class has started

Students are added to the wait list for a class on a first-come, first-served basis. As seats become available, students are automatically added to the class in which they are wait-listed.

You will not be added to a class IF:

- The class will cause a time conflict with another class on your schedule
- The class will cause you to go over the maximum number of units allowed
- Another section of the same course is already on your schedule
- You have a HOLD which prohibits registration

The student will be billed immediately once the student has been successfully moved from the wait list into the class and an email notice will be sent to the student email address on record. It is the student's responsibility to update all of their contact information in the Admissions and Records Office. To check and keep your information current, please use the Update Personal Information link under User Account on the Self-Service Student Menu. For students that were not registered from the wait list: (1) on the first day of class, instructors will determine the number of open seats; (2) spaces may be offered to students in the order their names were added to the wait list; (3) if a space is offered to a student, the instructor will give the student an Add authorization via Self-Service. Students are responsible for all fees generated from added classes; includes all forms of adds via web, moved from wait list, or by an add card. Students are responsible for monitoring their schedule and fees using Self-Service.

PUBLIC SAFETY

POLICE SERVICES

District police services are provided by the San Diego County Sheriff's Department. Deputies are assigned to the Grossmont and Cuyamaca college campuses. If necessary, the District also has access to Sheriff's Department specialized units that investigate crimes such as illegal drug sales, domestic violence, auto theft or gang-related crime. In addition, a team of Campus and Parking Services (CAPS) specialists provides services such as automobile assistance, lost & found, and safety escorts. CAPS also enforces parking regulations on campus. The Public Safety / CAPS Office is located in the Grossmont College parking structure, Room 57-100.

STUDENT AND VISITOR PARKING PERMITS

Student parking permits are required Monday through Saturday. Student and visitor parking spaces are free on Sunday. Parking permits are only valid in student and visitor spaces. California parking regulations are enforced year-round, including during holidays, spring break, weekends, and summer sessions. Restrictions include, but are not limited to, parking in a fire lane, staff parking, disabled placard misuse, and timed spaces. Vehicle owners are solely responsible for any loss, damage, or theft that occurs to their vehicle while parked on District property. All vehicles must be parked between two demarcated lines, and overnight parking is not permitted on campus after 11:00 p.m. Student parking permits may be purchased through student self-service or on the Public Safety webpage. Visitor permits may be purchased using the link on the Public Safety webpage: <https://www.gcccd.edu/public-safety/>.

PARKING & TRAFFIC REGULATIONS

All vehicles must have a valid college parking permit while parked on campus property. The responsibility of finding a legal parking space, as well as knowing where and when a parking permit is valid, rests with the vehicle operator and/or owner. The purchase of a parking permit does not guarantee a space to park. For the safety of the college community, all California Vehicles Codes

are enforced. All community members (students, staff, faculty, and visitors) are primarily responsible for their own safety and property. For further information, contact the Campus and Parking Services at (619) 644-7654.

REPLACEMENT FOR LOST OR STOLEN PERMITS

There are no refunds or replacement of lost or stolen parking permits.

MOTORCYCLE PARKING

Motorcycles, scooters, segways, and mopeds must be parked in designated motorcycle areas. Motorcycles parked in auto parking spaces are subject to citation.

ALTERNATIVE TRANSPORTATION OPTIONS

Bicycle racks are available throughout campus.

The college Metropolitan Transit System (MTS) pass is a great way to avoid parking hassles, car expenses, and to have access to unlimited rides throughout the semester. Semester MTS passes are available at the Activities window, building 10. For more information please visit the MTS website at www.sdmts.com (<http://www.sdmts.com>).

MOTORIST ASSISTANCE

The Campus Safety goal is to provide safe, orderly, and fair parking to the college community. We strive to make parking on either campus as convenient as possible, while promoting safe movement of vehicles and providing for pedestrian safety. All persons with a valid parking permit are eligible to receive the following complimentary services: unlocking vehicle and battery jump start.

REFUNDS FOR PARKING PERMITS

A refund request must be made within 2 weeks of the semester start. Email District.Parking@gcccd.edu for a request.

DISABLED PLACE CARDS

All students displaying a valid and current disabled placard are not required to display a GCCCD parking permit. Placard misuse will be heavily enforced and a CAPS specialist may ask to see your placard and registration at any time. Please be prepared to show proof of ownership when requested by a Parking Services Specialist.

PARKING CITATIONS

Parking citations vary between \$45 to \$500 per violation and can be paid or appealed online by visiting www.paymycite.com/gcccd.

If the citation is not paid within 21 days, the fine will increase by \$75. After 45 days, the citation will be reported to the state Department of Motor Vehicles, which will not renew your registration until the fine is paid. All disputed fines are individually reviewed by a non-biased representative in the Campus and Parking Services office. You will be notified of the outcome of your appeal for a parking citation.

To find out more about the citation appeals process or installment payment options, visit our website <https://www.gcccd.edu/public-safety/campus-services.php>.
