Vision:
Changing Lives Through Education

Mission:
Grossmont College is committed to providing an exceptional learning environment that enables diverse individuals to pursue their hopes, dreams, and full potential, and to developing enlightened leaders and thoughtful citizens for local and global communities.

Theme: Developing deeper connections to our college-wide strategic goals

Working with others from their department/area, participants will be asked to reflect on how, at the level of our departments and programs, we can meaningfully contribute towards our progress in achieving Grossmont's strategic goals. What projects, focus points, and/or structural changes could you commit to as a department that would align with both department and college goals?
