OTHER MATTERS

GE Committee: Membership and charge has been located. It will be presented to the Senate this semester.

Reviewing Proposals for Fall 2020: Dee suggested that each member take a section of the outline and make notes on revisions, comments, and/or questions. She has a table that she will share to do this type of review. The comments, revisions, and questions will be sent back to the departments for editing so the outline(s) will be close to final when the total committee reviews the proposal(s) and outline(s). Dee reminded the committee that it is still imperative that we continue with maintaining integrity with our review process but our typical “lively” discussions that occurred in our face-to-face meetings will change.

Liz suggested that sections be rotated so that all members will eventually have expertise in reviewing the total outline. Members with experience on the committee can mentor the new members. Liz and Marion volunteered to be mentors; Sebastien has a list of all the acronyms used in the committee that he will share.

Meeting adjourned: 2:55 pm.

Next meeting: September 22, 2020

Place of meeting: Zoom
