- Checked CPRs with edits needed

ES

Course Addition: ES 241, 242 (Intercollegiate)

- These new courses are intended for student athletes who arrive after the census date or have reached repeatability limit. They were designed to allow students to continue training and earning units without affecting their eligibility; there is a need for clear scheduling and registration processes. There are many scheduling options-6, 8, 12-week, etc. Also need to clean up the 10-hour lab section to comply with SAAM regulations. Will need to request Randy Abshier's guidance.

LIB

Course Addition: LIB120

- Follow up with Felicia Kalker about her discussions with department chairs regarding curriculum differentiation for AI courses and bring back relevant materials. How should research with AI be done?

MATH

Program Addition: Associate degree for Transfer, AS-T

PHYC

Program Addition: Associate Degree for Transfer, AS-T

- For both Math and Physics Programs-the rules were suspended
- Motion move to approve this by Karen, seconded by Tate; all in favor-none opposed

THTR

SAAM Fall 2026: THTR 122ABCD, 123ABCD, 124ABCD

- Units need to be updated due to the sequential nature of their program.
