Pathways Navigation

Objectives for this Semester

Website Development

- Customize version of career coach, mapping careers to program
- Create student-facing website that shows students the pathway and careers related information
- Cognito- form to use populate degree mapping

Degree Mapping

- Finalize process to collect degree maps
- Meet with departments and begin to collect degree maps

ACP Marketing (Will provide an update at the next advisory)

- Develop steps for full implementation of ACPs, include administration, deans, counseling, faculty, staff, and students
- Marketing materials and information campaign

Degree Mapping: Next Steps

- (September) Gary has drafted degree maps for all 26 ADTs to be shared with departments.

- (Starting in October) GP leadership team will reach out to department chairs to develop a plan for sharing maps.

- (Starting in November) Degree Map classes will be entered in a fillable form by Department Chairs or GP Leadership Team.

- **Goal:** To have 50% of ADT degree maps entered into fillable form by the end of the semester

Degree Map Worksheet

- In the first column add the course number
- Show items as icons, in a list, in columns, or with Cover Flow

- In the fourth column, indicate the number of units of the course.
