

PLEASE WELCOME

our new Academic Transitional Coordinator

We are excited to introduce Steve Davis as our new Academic Transitional Coordinator. Steve will support efforts to create a college experience that meets the needs of all students.

We asked Steve what excited him most about his new role.

“I am excited to take on this AB 705 role. We have many challenges ahead if we are to eliminate the achievement gap. I am optimistic we will accomplish this goal because I have seen many great things from this faculty when they put their minds to it. Together, we will!”

Welcome Steve!
