Strategic Staffing Rationale: Please address at least one of the following items:</p> <ul style="list-style-type: none"> ○ Legal mandates ○ Accreditation requirements ○ Health and safety priorities ○ Critical threshold of instruction or support services ○ Essential supervision <p>Traditionally, the library has maintained operating hours from 7:30am-9:30pm in order to ensure that all students, regardless of their academic paths, have adequate access to resources (per ACCJC Accreditation Standards IIB1, IIC3).</p> <p>As a result of retirements, promotions and exits, the library staff has been reduced from 8 full-time staff members to 2.</p> <p>With only 2 staff, we have been forced to limit hours of operation to 9:00am-3:00pm (even this puts considerable strain on only 2 staff members, who must now supervise student workers and maintain visual supervision of the library space, while simultaneously doing their assigned work) - Leaving any/all students without access to library beyond 3:00pm.</p> <p>We will no longer be able to offer even the minimum level of staffing to keep the library open. Below are the relevant factors:</p>

		<ul style="list-style-type: none"> • There must be a minimum of two staff present for each day (including opening and closing). • We have been forced to close access to the second floor, as it is not possible to adequately monitor two floors, and that would result in unsafe conditions (ACCJC Standard III B1). • Student workers are required by law to have a staff member present to supervise. • If anyone needs to be out for sick or personal leave, the library must reduce hours or close. • No student who comes to campus after 3:00pm currently has any access to books, materials or printing at the library. This will be reduced even further – even as the current operating hours represent inequitable and inadequate access to resources (per ACCJC accreditation standards above). • In addition to supervising student workers and monitoring the library spaces, each staff member has assigned tasks which require focus and full attention. Having all of their hours dedicated to supervision and monitoring leaves them no time to accomplish their assigned work (circulation, cataloging, purchasing). This leaves core services and resources unprovided for students. <p>4.
