

## Planning & Institutional Effectiveness Committee (PIEC)

### Meeting Norms

October 20, 2023

In participatory government, a high level of collegiality, respect, and civility is expected. Those expectations include the following:

#### In Person Setting

- Everybody's voice is equal, important and valuable.
- Operate under the assumption that everyone is speaking with a positive intent.
- Be solution focused when you don't understand where someone is coming from.
- If there are times when we feel unsafe. Find ways to recalibrate and move forward in a gentle way.
- Raise hand to let folks know you are going to speak. Be respectful of others who may have raised their hand before you.
- When measuring consensus members will use the Thumb up- all the way in; Thumb middle- can live with it; Thumb down- want to keep talking about additional solutions.
- Use a parking lot.
- If a proxy is requested make sure the proxy is briefed prior to the meeting.

#### Virtual Setting

- Conversations in the chat should be discussed.
- At the beginning of the meeting, members may drop an emoji from the Zoom library as a quick check-in at the beginning of the meeting. This would help us calibrate our body language with one another.
- Consensus will be measured in the chat. The co-chair will type the item to be vote on in the chat. Voting members will type in the chat; Yes-agree; No-disagree; Abstain-decline to vote.
