Draft Mission and Vision

Mission:

Grossmont College empowers its students and community through accessible, inclusive, and transformative learning that opens pathways to educational opportunity, economic mobility, and social justice. We are committed to a caring, whole-student approach in our work towards equity and anti-racism.

Vision:

To be a community in service of equity, *in which every student belongs, succeeds, and has the opportunity to build a better future.*

Values

Equity

We advance equity and anti-racism to create a more just environment in which students and employees are supported according to their needs so they can thrive.

Learning

We inspire curiosity, critical thinking, growth, and lifelong learning.

Opportunity

We open pathways to education, careers, and economic mobility.

Integrity

We cultivate ethical, responsible, and engaged learners who respect others.

Community

We value our diverse community by expressing care, extending compassion, seeking connection and partnership, and committing to service.

Continuous Improvement

We pursue equity and support our students' needs through the practice of meaningfully engaging with data and assessing our efforts.
