1.1 - List below the people in your household. Include:

- Yourself.
- Your spouse, if you are married.
- Your children, if any, if you will provide more than half of their support from July 1, 2019, through June 30, 2020, or if the child would be required to provide your information if they were completing a FAFSA for 2019–2020. Include children who meet either of these standards, even if they do not live with you.
- Other people if they now live with you and you provide more than half of their support and will continue to provide more than half of their support through June 30, 2020. (DO NOT include roommates).

***Shared living arrangement (i.e. roommate) is not the same as “support.”**

Support means: currently providing more than half of all living expenses for that person because that person listed has no means of self-support, or no one else is providing at least half of their support.

Include the name of the college for any household member who will be enrolled at least half time in a degree, diploma, or certificate program at a postsecondary educational institution any time between July 1, 2019, and June 30, 2020. *If more space is needed, attach a separate page with your name and Student ID Number at the top.*

1.2 - Independent Student's (and Spouse, if married) Income Information to Be Verified

1. TAX RETURN FILERS—Important Note: If you (or your spouse, if married) filed, or will file, an amended 2017 IRS tax return, you must contact the Grossmont College Financial Aid Office before completing this section.

Instructions: Complete this section if you, the student, filed or will file a 2017 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to www.FAFSA.ed.gov, log into your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2017 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about whether or how to use the IRS Data Retrieval Tool contact the Grossmont College Financial Aid Office.*

Check the box that applies:

- ☐ I, the student (**and if married, my spouse**) filed a 2017 IRS Return.
- ☐ Check here if the student (and/or the student's spouse, if married) has used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2017 IRS income tax return information into the student's FAFSA and **has not made any changes to the information**.
- ☐ Check here if an IRS Tax Return Transcript is attached to this worksheet (NOT a photo copy of the Income Tax Return).
- ☐ Check here if an IRS Tax Return Transcript will be submitted to the school later. Verification cannot be completed until the IRS Tax Return Transcript has been submitted to the school.
- ☐ Check if you and your spouse did or will file a joint federal return.

2. NONFILERS—Complete this section if you, the student (and your spouse, if married), will not file and are not required to file a 2017 income tax return with the IRS. **Note: you are required to attach a 2017 "Verification of Nonfiling Letter" from the IRS to this form.**
