SECTION 1 – Standard Verification Group (Questions 95-96 on the FAFSA)

1.1 - List below the people in your household. Include:

- Yourself.
- Your spouse, if you are married.
- Your children, if any, if you will provide more than half of their support from July 1, 2018, through June 30, 2019, or if the child would be required to provide your information if they were completing a FAFSA for 2018–2019. Include children who meet either of these standards, even if they do not live with you.
- Other people if they now live with you and you provide more than half of their support and will continue to provide more than half of their support through June 30, 2019. (DO NOT include roommates).

Support means: currently providing more than half of all living expenses for that person because that person listed has no means of self-support, or no one else is providing at least half of their support.

Include the name of the college for any household member who will be enrolled at least half time in a degree, diploma, or certificate program at a postsecondary educational institution any time between July 1, 2018, and June 30, 2019. *If more space is needed, attach a separate page with your name and Student ID Number at the top.*

1.2 - Independent Student and Spouse (if married) Income Information to Be Verified

1. TAX RETURN FILERS—Important Note: If you or your spouse, if married, filed or will file an amended 2016 IRS tax return, you must contact the Grossmont College Financial Aid Office before completing this section.

Instructions: Complete this section if you, the student, filed or will file a 2016 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to www.FAFSA.ed.gov, log into your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2016 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about whether or how to use the IRS Data Retrieval Tool contact the Grossmont College Financial Aid Office.*

Check the box that applies:

- ☐ I, the student (**and if married, my spouse**) filed a 2016 IRS Return.
- ☐ Check here if the student (and/or the student's spouse, if married) has used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2016 IRS income tax return information into the student's FAFSA and **has not made any changes to the information**.
