Nathaniel Harris

ASGC Vice President of Finance

ASGC Director of Student Legislation

ASGC General Board of Directors

Grossmont College Student Trustee

“As the current ASGC Director of Board Affairs, I have seen firsthand the potential student government has to make real change. It has been a pleasure to represent each and every one of you! I am committed to representing all students with transparency, empathy, and action. That is why I’m running for Student Trustee—to ensure every voice is heard. From improving campus bathrooms to fostering safe and respectful environments. I believe in holding our administration accountable and creating more opportunities for our students to achieve success and strive for greatness. With this next generation of ASGC, I know we can build a better, Grossmont—together.”
