ASGC Executive Vice President

ASGC General Board of Directors

Grossmont College Student Trustee

I am dedicated to representing the diverse interests of all Grossmont College students. As a strong advocate for clubs and student activities, I aim to foster an academic environment where every individual feels included and empowered. I seek to serve as a liaison between students and the administration, faculty, and staff to ensure that Grossmont College remains focused on initiatives and decisions that benefit and uplift its student body. Through my experience and ongoing involvement with student advocacy, I believe I am capable of taking on the responsibility of serving as the next ASGC President.
