Kalia Nakamura

ASGC President

ASGC Executive Vice President

ASGC Director of Board Affairs

Hi, I am Kalia Nakamura; this upcoming fall will be my third semester apart of ASGC. In my time spent, I worked hard to become a board member, then Director of Board Affairs, and currently I am the Executive Vice President and ICC Chair. I have gained lots of insight on the functioning of our student government, our board's strengths, and soft spots were I believe my leadership can work to overcome. As a woman of color, I value the diversity and inclusion in ASGC, as we best represent the beautiful, welcoming Grossmont student body. I believe every student can find their community at Grossmont, it is a matter of promoting clubs and organizations, hosting events, and utilizing ASGC's platform to better connecting students and their community. Regardless of my elected position, I hope to continue being a part of ASGC, fulfill my student representative duties, and continue to foster community within and outside ASGC.
