**Alessandra Velasco**

ASGC Director of Student Legislation

“At my everyday job, it is a necessity to be able to help people. Honestly, at times I do not consider it my job, because helping others is something I genuinely love to do. I will do everything in my power to help our community and listen to students concerns and viewpoints. It would be rewarding if you chose me as Director of Student Legislation, so we together can make our community a fulfilling place for everyone!”
