I am a driven and dependable student leader, first-generation Latina, aspiring pediatrician, and medical assistant dedicated to serving my community. Through student government, MESA Officer, Peer Mentoring, and currently Social Media Ambassador, and a part of Grossmont College's Board. I have developed strong leadership, communication, and teamwork skills by organizing events and fostering school spirit. I have represented student voices, promoted campus engagement, and made meaningful content that builds community spirit. I am prepared to serve as Vice President, bringing dedication, initiative, and a strong commitment to student success, academic growth, and an inclusive campus environment. I will ensure every voice is turned into real change and empowered. Hear Grossmont. Lead Grossmont.
