## Kameron Jones

ASGC President

ASGC Executive Vice President

ASGC Director of Campus Activities

Grossmont College Student Trustee

“I know that I would be an amazing advocate for those who have been looked over and undermined here on our campus. Advocating for Latinx, Black-Americans, LGBTQ+, and marginalized groups whose voice has been systematically oppressed. It will be my goal as President/Vice President to be the representation and voice for my fellow community members. I want to be proactive, so that students are aware and informed of all the resources that are available the moment they step on our campus.”
