Sequence of Science Prerequisite Courses

Nursing students have one of **two** options for completing the science prerequisite courses. The prerequisite courses are either **Option I**: BIO 140, BIO 141, 141L, & BIO 152 **OR Option II**: BIO 144, BIO 145 & BIO 152. A 2.5 or better G.P.A. in prerequisite courses is required.

*Please note: Only nursing majors may fulfill BIO 120 pre-requisite with one year of high school biology with a lab.

**All courses in the major must be completed with a "C" grade or higher. Prerequisite science courses (Anatomy, Physiology and Microbiology) must have a combined weighted GPA of 2.5. Switching options is not recommended due to excessive course repeats.

***No more than one science prerequisite may be repeated within 5 years of the application date to the Nursing Program.

Important Information

Pre-entrance Exam

All prospective nursing students must pass the Test of Essential Academic Skills (TEAS) exam. This is a pre-entrance exam that covers basic Mathematics, Reading, English and Science. All applicants must pass the most recent TEAS version in order to apply to the program; no previous versions will be accepted. Student may prepare for his exam by going to the ATI testing website (http://www.atitesting.com). TEAS study guides and online practice exams are available to purchase through the website http://www.atitesting.com/solutions/pre-programs/teas.aspx. Please refer to the Nursing Department's website at https://www.grossmont.edu/academics/programs/nursing/teas-testing.php for the most up-to-date information regarding changes related to the upcoming TEAS 7 exam.

Background Check and Drug Screen

IMPORTANT: Students accepted to the Nursing Program are required to undergo a background check and urine drug screening test prior to starting the program and being placed at any clinical site. Students are responsible for a minimum cost for these procedures. Failure to pass either or both of these procedures, or any prior convictions of a misdemeanor or felony, may interfere with acceptance to the program, clinical placement, eligibility for state licensure or securing employment. The Nursing Program cannot advise students on individual background checks or drug screens. Applicants are urged to visit the program website to review the Background Check and Drug Screen page and the California Board of Registered Nursing at www.rn.ca.gov/ for more information.
