Student Success Story

"My name is Rudy, I'm a Marketing major at Grossmont College. I recently earned an internship opportunity through Career Services with the East County Chamber of Commerce as a Marketing / Social Media Assistant. My role in this position was to manage the Instagram, Facebook, Twitter/X, and LinkedIn of the Chamber. I managed the accounts by engaging with members and non-members alike by reposting, liking, and commenting on posts. On top of that, I also was the photographer at the Chamber's events where after I edited the videos and photos I then took to post on the Chamber's social media pages. The support I received from the CEO, Rick Wilson and other staff members were instrumental to my success and enjoyment of this internship opportunity. One piece I really appreciated from Career Services was the occasional check-ins from the Program Specialist, Becca on how I was doing with the internship where I found it to be very comforting and nice. Ms. Renee Nasori and the Career Services team placed me with the type of internship I wanted. I highly recommend anyone who needs assistance on job placement and preparation to utilize their services."
