11:00 AM - 11:30 AM

Location: Zoom & Career Services office, Building 60-140

## 2026 Job Outlook

### How can students demonstrate their skills during a skills-based hiring process?

Employers point out that the top way students can demonstrate skills in preparation for interviews is to plan to share examples and situations when they used their skills to solve problems.

Employers also reiterated the importance of experiential learning and/or work during college and being able to tie their college coursework and extracurricular activities to professional skills.
