Remember to submit your **FAFSA** or **Dream Act Application** for the 2022-2023 academic year. These must be submitted every year and those who submit before March 2nd, 2022 will have priority when free money is disbursed.

SPRING REGISTRATION

If you completed all the requirements (met with your mentor at least once) you will be receiving priority registration. Spring 2022 schedule posts online (Self-Service/WebAdvisor) and Registration Emails sent to students by end of the day on Friday, Nov. 5th. If you are receiving priority registration, your date should be **November 16th**. We encourage ALL students to meet with a counselor to figure out what classes to take next semester. You can do so by scheduling through e-SARS. Remember, we also have our FYE learning communities you can be a part of as well! Scroll down for the flyer and more information.

STUDENT OF THE MONTH

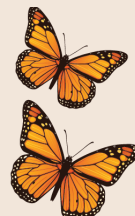

Misty has not quite declared her major, yet she has a passion for art and she is exploring new things to enrich her life adventure as an individual. She is looking forward to move to San Diego and is working hard to accomplish this goal!
