## OUR PURPOSE

Funded by the U.S Department of Education under the Office of Postsecondary Education, the Hispanic Serving Institution Title V grant at Grossmont College has developed Via Rápida FYE, which targets the Hispanic and low-income (HLI) student populations, and is open to all first-time college students. Via Rápida FYE provides academic and social support. Via Rápida FYE enhances the encompassing college experience for first-time to college students and increases college enrollment, retention, persistence, and completion.
