Welcome Back!

We hope you had a well-deserved, restful winter break! Now that the semester has started, we welcome you back to Grossmont College! It isn't always easy coming back to school after being away for some time so we wanted to provide some reminders to help you get back into the swing of things:

*Check-in with your mentor to start off your semester on the right foot *Schedule an appointment with a counselor to discuss your educational goals *Check your email for important emails from Grossmont College and FYE *Stay organized - school, work, friends, it isn't easy juggling it all! *Don't procrastinate! Get homework done early, begin studying ahead of time!

*YOU'RE AWESOME!

MENTEE OF THE MONTH!

Allyson graduated from Chaparral/IDEA and is part of the FYE learning community. Her goal is to enroll in the Grossmont nursing program by transferring with the associates. Allyson collaborates with our FYE counselor to ensure that she is on the right track for pursuing her educational goal. She is passionate when meeting new individuals and discussing her educational objectives. She also loves to work out and play basketball.
