Please work with a counselor to develop an educational plan that includes major preparation. **Courses taken at regionally accredited colleges or universities that are not part of the California Community College system can meet general education requirements for CSU GE. Denise Aceves, via the "Pass Along" review process. <p>*Disclaimer: Every effort has been made to ensure the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website @ www.assist.org. However, if the CSU Area A1, A2, A3, or B4 course double counts as a general education and major requirement, a "C" or better grade is recommended for certification.</p>
