

Grossmont College Communication Studies AA-T Preparation for the Major

Communication - B.A. DEGREE

To receive admission preference to CSU's students can complete the AA-T in Communication Studies. It is also important that students incorporate as much of the lower division course work found on the www.ASSIST.org articulation agreement as possible. In addition to degree requirements, students must complete CSU GE Certification or IGETC. It is important to meet with a Counselor for additional assistance.

* Students completing IGETC may be awarded the degree, but they must complete a course from Area 1C: Oral Communication to meet CSU admission requirements.

All courses in the major must be **completed with a grade of "C" or higher or "Pass"**. A "P" (Pass) grade is acceptable for courses in the major for *Associate Degrees for Transfer*.

Total Units:		18

For additional information specific to SDSU see the following SDSU web site:
<http://arweb.sdsu.edu/es/admissions/transfers/associate-transfer.html>

SDSU accepts AA-T degrees in Communication Studies (for the Communication BA in Applied Arts and Health Communication BS in Applied Arts only). These specific degrees will not include a language requirement at SDSU. Candidates for the Communication BA degree in Applied Arts must satisfy competency in mathematics by completing three semesters of college mathematics or a statistical sequence. Completion of Math 160, Anth/Bio/Psy/Soc 215 or BIO 215 is recommended. Check with a Counselor for applicability to other CSU's. The Communication Studies AA-T requires a minimum 2.75 Cumulative G.P.A.

Students applying with the AA-T in Communication Studies will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.

Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.

The Health Communications B.S. degree in Applied Arts and Sciences does not have a foreign language or math competency requirement.

Every effort has been made to ensure this information is accurate. However, the official documents are the current Grossmont College Catalog and San Diego State Catalog. Grossmont College Articulation: www.grossmont.edu/articulation
