

Grossmont College Kinesiology AA-T Preparation for the Major

Kinesiology – B.A DEGREE

To receive admission preference to CSU's students can complete the AA-T in Kinesiology. It is also important that students incorporate as much of the lower division course work found on the www.ASSIST.org articulation agreement as possible. In addition to degree requirements, students must complete CSU GE Certification or IGETC. It is important to meet with a Counselor for additional assistance.

* Students completing IGETC may be awarded the degree, but they must complete a course from Area 1C: Oral Communication to meet CSU admission requirements.

All courses in the major must be **completed with a grade of "C" or higher or "Pass"**. A "P" (Pass) grade is acceptable for courses in the major for *Associate Degrees for Transfer*.

SDSU accepts AA-T degrees in Kinesiology for the Exercise Science Generalist Emphasis only. This specific BA degree will not include a language requirement at SDSU. Please review the SDSU catalog for additional coursework required for this degree. Check with a Counselor for applicability to other CSU's. The Kinesiology AA-T requires a minimum 2.90 Cumulative G.P.A.

Students applying with the AA-T in Kinesiology will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.

Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.

Every effort has been made to ensure this information is accurate. However, the official documents are the current Grossmont College Catalog and San Diego State Catalog.
