

Grossmont College Communication Studies AA-T, 2.0 Preparation for the Major Communication - B.A. DEGREE

To receive admission preference to CSU's students can complete the AA-T in Communication Studies. It is also important that students incorporate as much of the lower division course work found on the www.ASSIST.org articulation agreement as possible. In addition to degree requirements, students must complete Cal-GETC. It is important to meet with a Counselor for additional assistance.

*Students who meet catalog rights and continuous attendance may utilize CSU GE and/or IGETC for their plan of study.

All courses in the major must be **completed with a grade of "C" or higher or "Pass"**. Letter grades in the major are highly recommended, but a "P" (Pass) grade is acceptable for courses in the major of an *Associate Degree for Transfer*.

*SDSU accepts AA-T degrees in Communication Studies (for the Communication BA and Health Communication BS only) and **requires letter grades for major preparation courses**. Candidates for the Communication BA degrees must satisfy competency in mathematics by completing three semesters of college mathematics or a statistical sequence. Completion of Math 160, Anth/Bio/Psy/Soc 215 or BIO 215 is recommended. Check with a Counselor for applicability to other CSU's. The Communication Studies AA-T requires a minimum 2.75 Cumulative G.P.A.*

Students applying with the AA-T in Communication Studies will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.

Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.

The Health Communications B.S. degree in Applied Arts and Sciences does not have a foreign language or math competency requirement.

Every effort has been made to ensure this information is accurate. However, the official documents are the current Grossmont College Catalog and San Diego State Catalog. Grossmont College Articulation: www.grossmont.edu/articulation
