

## Grossmont College Economics AA-T Preparation for the Major

### Economics - B.A. DEGREE

To receive admission preference to CSU's students can complete the AA-T in Economics. It is also important that students incorporate as much of the lower division course work found on the [www.ASSIST.org](http://www.ASSIST.org) articulation agreement as possible. In addition to degree requirements, students must complete Cal-GETC. It is important to meet with a Counselor for additional assistance.

\*Students who meet catalog rights and continuous attendance may utilize CSU GE and/or IGETC for their plan of study.

All courses in the major must be **completed with a grade of "C" or higher or "Pass"**. Letter grades in the major are highly recommended, but a "P" (Pass) grade is acceptable for courses in the major of an *Associate Degree for Transfer*.

For additional information specific to SDSU see the following SDSU web site:  
<http://arweb.sdsu.edu/es/admissions/transfers/associate-transfer.html>

*SDSU accepts the AA-T degrees in Economics **and** requires letter grades for major preparation courses. This major includes a language requirement to graduate from SDSU. If CSIS 110 is not completed as part of the AA-T, it must be completed at SDSU. Check with a Counselor for applicability to other CSU's. The Economics AA-T requires a minimum 2.4 Cumulative G.P.A.*

**Students applying with the AA-T in Economics will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.**

**Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.**

Every effort has been made to ensure this information is accurate. However, the official documents are the current Grossmont College Catalog and San Diego State Catalog.
