Important Associate Degree Information
<ul style="list-style-type: none"> Have a GPA of 2.0 ("C" average or better overall). Declare a major, whether it be a general studies or a specific major (i.e., Child Development, Nursing, Administration of Justice, etc.). Complete at least 60 degree applicable college units. Complete general educational requirements. Complete major coursework. Meet Math and English competency requirements. Send all official transcripts from other colleges to Admissions and Records the semester before you apply for graduation. It is recommended that you apply for graduation as soon as you have registered for your final courses needed to meet degree requirements. Check graduation application deadline date in college catalog or semester class schedule. <p>*Disclaimer: Every effort has been made to ensure that this information is accurate and timely. However, the official college document is the Grossmont College Catalog 2021-2022. This advising sheet is a Counselor tool to be used with students.</p>

Non-Degree Credit Courses												
The courses listed below are non-degree credit courses. They do not meet any of the requirements for the associate degree (graduation). These courses, however, may be valuable to your success in other college courses which are degree applicable. Basic skills courses often provide a strong, rich foundation for academic achievement.
