LAST COLLEGE WHERE BENEFITS WERE USED AND WHEN? _____

PLEASE READ THE FOLLOWING CAREFULLY

- For full benefits for all chapters I must be enrolled in 12 full-semester length units. (Summer requires 4 units for 6 week session and 6 units for 8 week session.) Short-term classes that meet longer or shorter than full-semester length courses may affect my expected rate of pay. It is NOT the Grossmont VA Office responsibility to notify me of partial payments. The Grossmont VA Office is not able to calculate payments.
- Recommended preparation courses are not payable.
- The VA requires that I maintain a 2.0 cumulative GPA and progress towards my educational goals by avoiding an excessive number of D, F, NP, W or I grades.
- Federal law requires that I report all adds drops, and/or withdrawals to the Grossmont College VA Office. These changes must be reported immediately. Failure to do so will affect my benefits and may result in an overpayment for which **I am responsible.**
- Although, District policy allows a student to repeat a course in which a "D" grade has been earned, the course is not payable for VA benefits, unless a "C" or better is required.
- If I have chosen a major that is not held at Grossmont College, it is my responsibility to obtain a formal educational plan from a Grossmont College Counselor that shows that the intended classes are transferable and applicable towards the chosen major. I am responsible for insuring the education plan is always up to date. Only classes listed on the educational plan will be payable by the VA.
- It is my responsibility to assure that all official transcripts are on file and have been evaluated before certification can occur. I understand that if my transcripts have not been evaluated by time the current registration period starts my classes will not be certified for FUTURE semesters.**
- It takes approximately 2-4 weeks, from the date I fill out my intent form, for the Grossmont VA Office to process for submission to the VA in Muskogee. For students that have prior course work that needs to be evaluated, there may be an additional 2-4 weeks for a total of 4-8 weeks. In addition, it takes approximately 4-8 weeks for the Muskogee VA Regional Office to process my enrollment certification.

I understand and agree to abide by the above information.
